Letters to the Editor

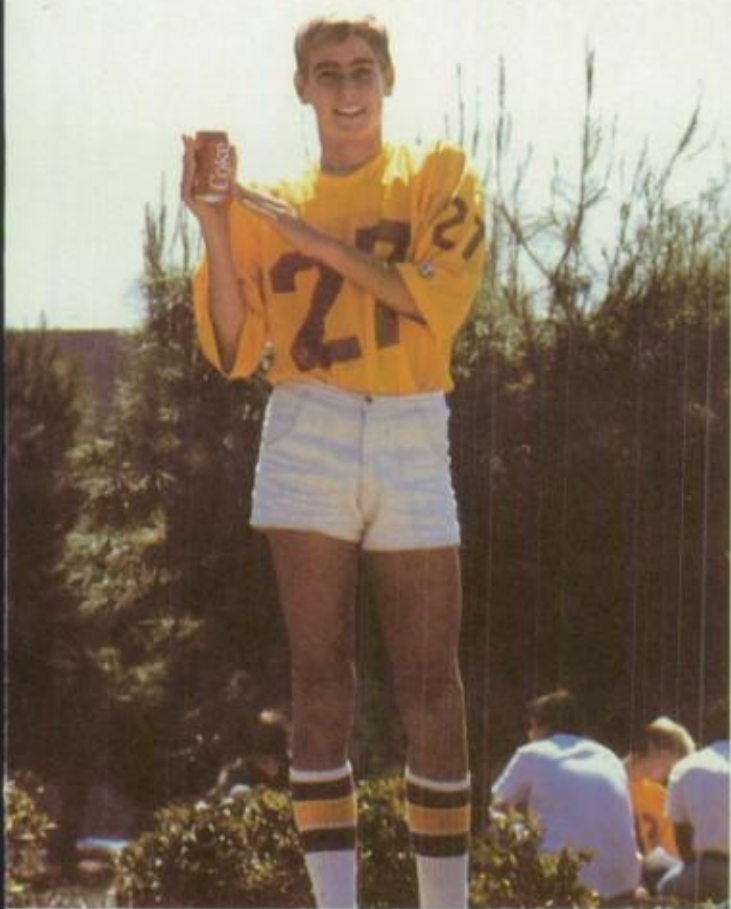

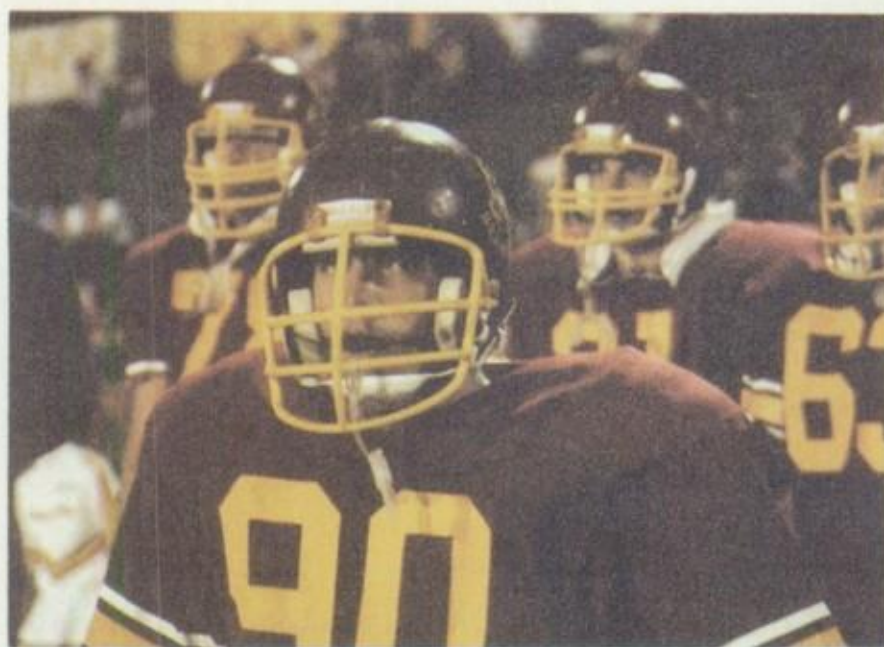

FRIENDS

Friends, they not only share the highlights of your life, but they help and support you in times of doubt. For most of us, friends would not only help us get through the day, but also make it more bearable. For the unforgettable times we have all shared together with friends, we dedicate these pages to them.

Whether at a football game, basketball game, or a pep rally, there is always an enthusiastic crowd cheering on the Seahawks to victory. The Seahawk pride was displayed during 'Spirit Week' and our spirit soared higher and prouder than ever. Spirit was also displayed by wearing the school's colors of cardinal and gold, or supporting the school by participating in one of the many clubs offered. Every Seahawk should be proud to be going to O.V., after all, "The Fourth Quarter Belongs To Us."

SPIRIT

PARTICIPATION

Participation is the core of school spirit and pride. Here at O.V. there is a wide variety of activities and clubs in which to participate. You'll see that everyone is involved in something or another. The student body here at Ocean View is proud to be a Seahawk, and their active participation in school activities and events lets their enthusiasm shine through.

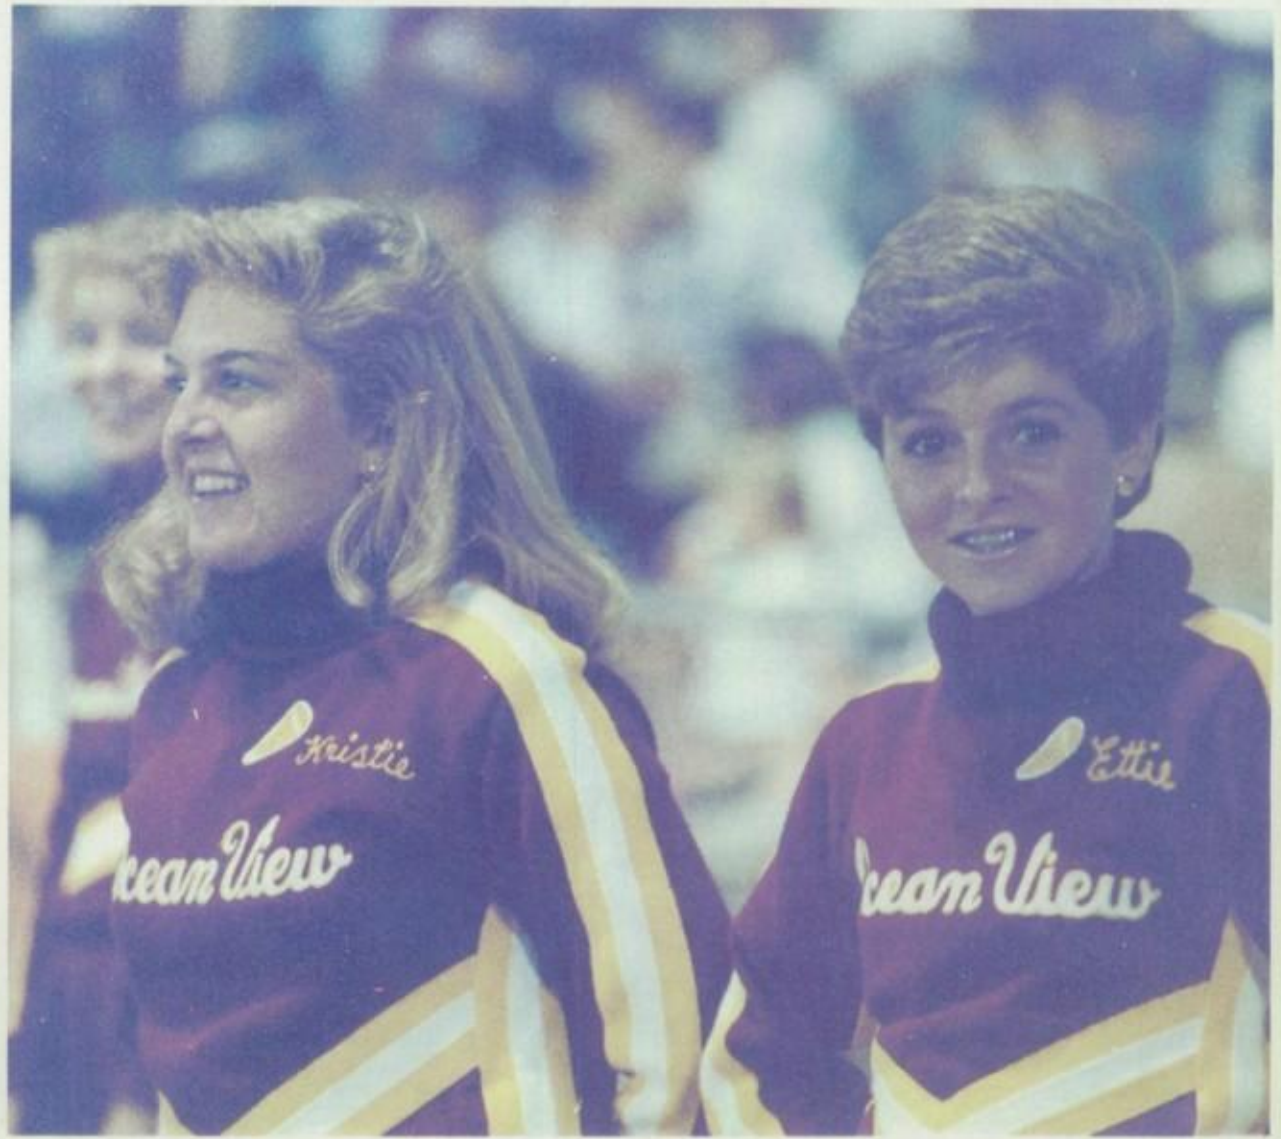

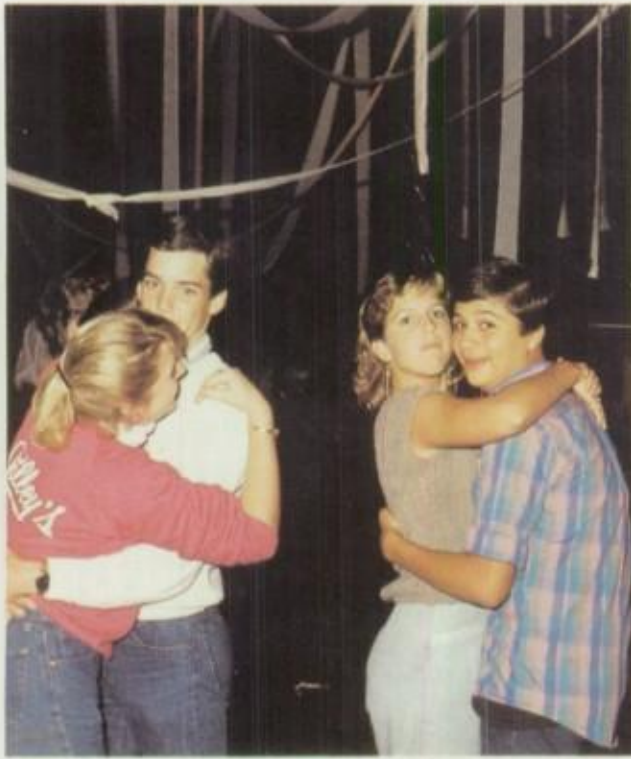

The 84-85 school year has brought about many changes and challenges to students and faculty. Staff and curriculum changes sometimes brought about confusion, but someone was always there to help us out. For students, we had the almost impossible task of juggling classes, homework, work schedules, sports and friends all at the same time; but somehow we managed. Teachers had to find a way to reach through the "generation gap," and pass on vital knowledge essential to academic growth. Here at Ocean View, the students and faculty work in unity to achieve both personal and academic excellence.

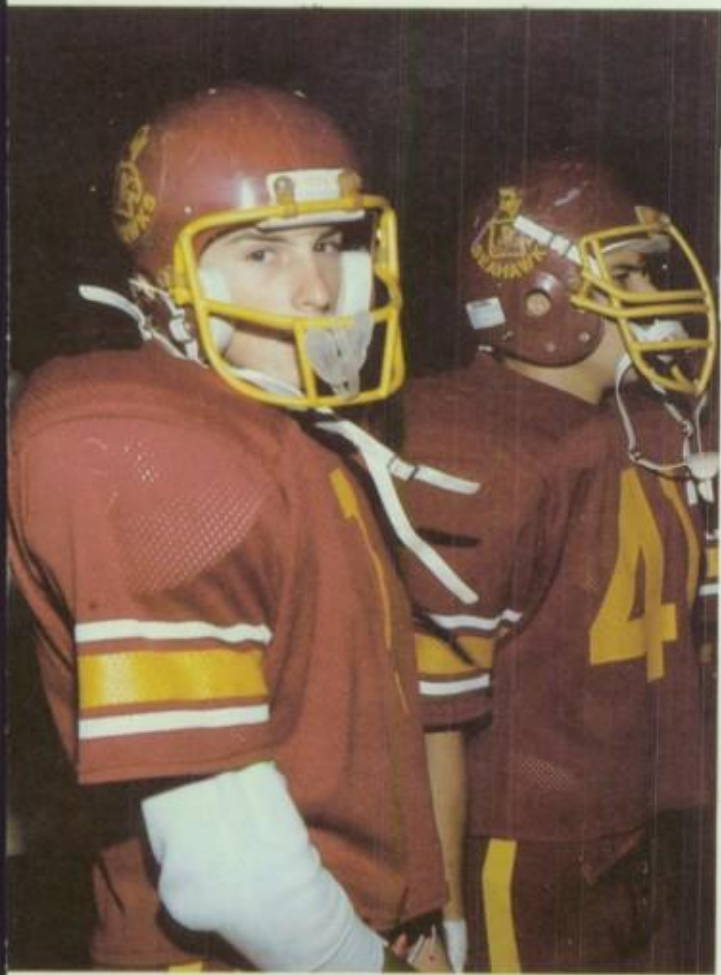

LEARNING

ENVIRONMENT

The environment here at O.V. is as unique as the students. Everyone has their own style of doing things and of dressing. Here at O.V. these styles are evident.

Student life at Ocean View is a varied one, ranging from those striving for educational excellence to those who just want to "break free!"

Homecoming Court — Queen Kellie Bodlovich, Princesses Jennifer Baker, April Carpenter, Janet Lidberg, and Michelle Walker.

HOMECOMING

SEAHAWK SAFARI

The spirit of the Seahawks increased as Homecoming day approached. The week's lunchtime activities brought excitement to the students as they anxiously awaited Homecoming night.

The spirit was sparked at the "Seahawk Safari Pep Rally" which included many performances by the alumni pepsters. The pre-game festivities, including the traditional fire truck ride and the landing of the parachute, fascinated all onlookers.

Half-time's tension built up as the court of Jennifer Baker, April Carpenter, Kelli Bodlovich, Janet Lidberg, Michelle Walker, and the crowd anxiously awaited the opening of the envelope containing the name of the new Queen. Kelli Bodlovich was crowned Homecoming Queen by our reigning Queen Bevann Griskonis.

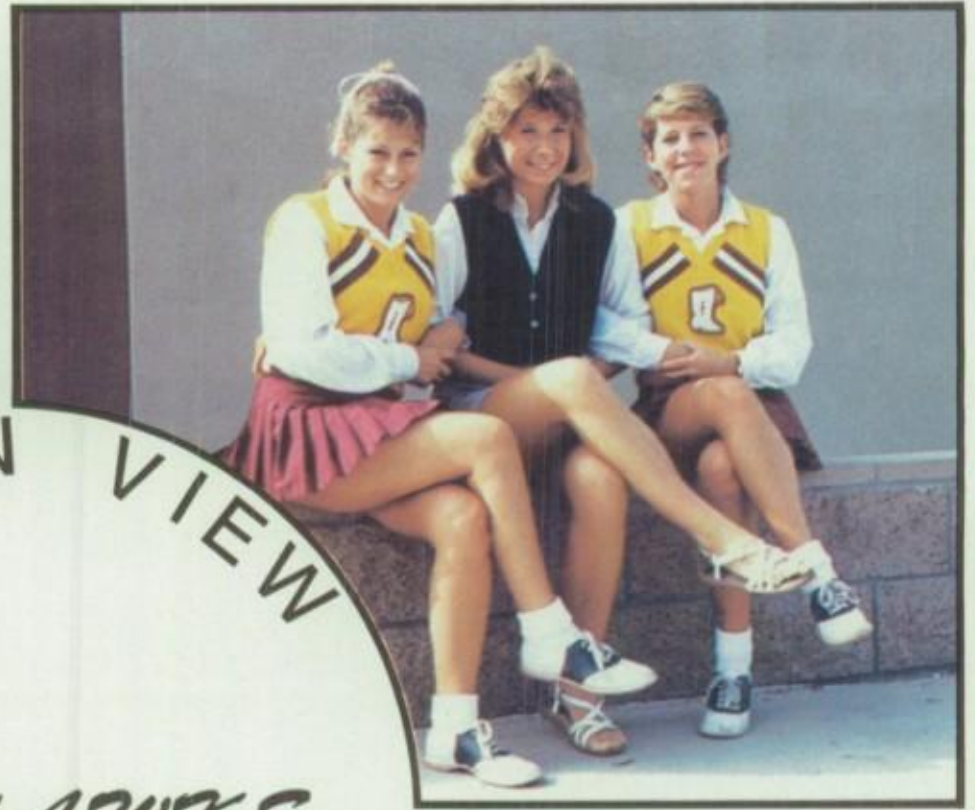

Even though we were defeated by the Westminster Lions the Seahawks pride still shined at the dance the following night.

Most Likely to Succeed

David Straight Noelle Williams

David and Noelle justly deserved this year's title "Most Likely to Succeed." Dave has contributed much of his time to O.V. by being involved in our basketball program all 4 years, and also by maintaining a 4.0 g.p.a. all throughout his high school years. Noelle, like Dave, has put much time and effort into her studies, and her efforts have paid off by being chosen a National Merit semi-finalist last summer when she attended Yale University. She's also a member of M.U.N. and was nominated Junior Class Treasurer last year. 'Success is to be happy at whatever you are doing,' and David and Noelle seem to have found their happiness.

Most Talented

David Chambers Kelly Townsend

With Dave and Kelly's fine performances in school productions such as "Flowers for Algernon," "Taming of the Shrew," "My Fair Lady," and many others, there was no doubt who should receive the title "Most Talented." Both have been actively involved in theater for 4 years at O.V. and have successfully performed in productions outside of school. Dave was surprised but told us. "If there was one thing I wanted more than anything, it was to win this award." Kelly felt very honored and special to have been picked the most talented in the class of '85. She's planning to attend Pasadena Academy of Arts and hopes to pursue an acting career. We wish these two talented people much success in the promising careers that wait for them in the future.

Warmest Smile

Adam Janatsch Dawn Petran

Adam and Dawn could always be seen around campus showing off their smiles. Adam has been involved in football and 4 years and commented, "When I first heard that I received "Warmest Smile," I was so surprised. I just thought that I smiled as warmly as the next guy." Dawn was just as excited and told us, "I try to encourage people to smile wherever I go. Being on Drill Team has helped me accomplish this." Instead of making a list thanking everyone, their gratitude was revealed in the huge smiles that appeared on their faces. After all, a smile is worth a thousand words.

Jennifer has been involved in student government and commented, "It's nice to know that people notice the extra time that I put into O.V., it really is a pat on the back." Best Looking

Brian Clark Lisa Pekarck

Tall, dark, and handsome is the best way to describe Brian Clark. He's one of those guys who seems to have the look that catches every girl's attention. "It's an honor to be chosen in this category, and I'd like to thank everyone who made this possible," commented Brian. Lisa is one of those girls who has it all: Good looks and a great personality. She said, "It was an unexpected surprise! I feel very honored, especially since there are so many pretty girls here at Ocean View." Both understated themselves in their comments, but then why talk when one look says it all?

Best Personality

Jim Mentz
Liz Hernandez

Aside from having terrific personalities, both Jimmy and Liz have been actively involved with the school. Jimmy, although being busy with athletics, Yosemite Club, and students senate, always had time to be with friends. Liz was 'very happy and excited' to have been picked for this category. Being involved with the Varsity Yell Squad, J.V. Yell Squad, and student senate has enabled Liz to show her enthusiasm towards O.V. Great job Liz and Jimmy!

Friendliest

Bill Whalen Michelle Walker

Both Michelle and Bill brightened O.V.'s campus with their optimistic and friendly manner. Whenever not in class, you could see them talking with old friends or making new ones. "It's neat to have my friends vote for me for something that's fun to do," commented Bill. Michelle told us that she was 'really stoked' when she found out that everyone thought of her as 'Friendliest.' Both wished to thank the class of '85 they made a good choice.

Best All Around Andy Austwick Kellie Bodlovich

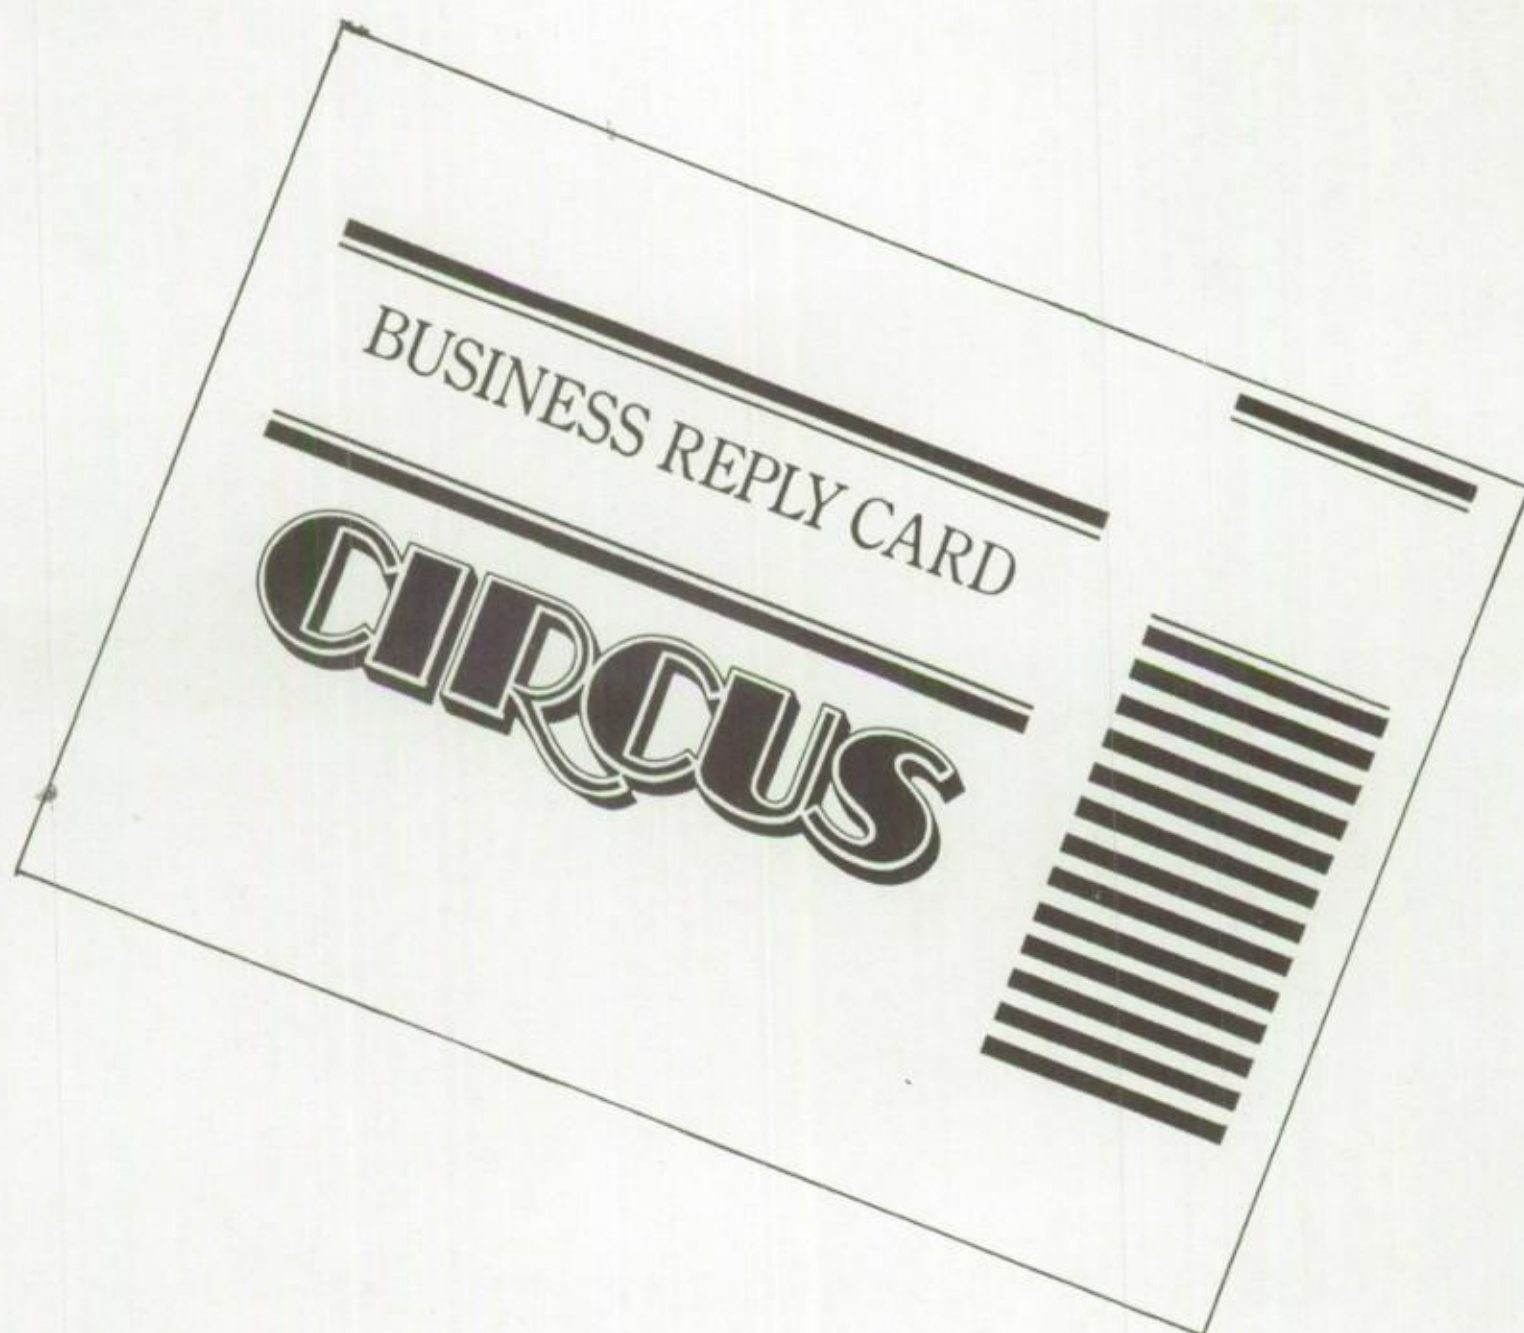

This year the Yearbook staff chose a new favorite. Both Andy Austwick and Kellie Bodlovich received many votes in different categories, therefore we decided to award them the title of "Best All-Around." They both obtained votes in the categories of friendliest, best personality, most school spirit, and others as well. Andy and Kellie both deserve this recognition. Kellie was 'so surprised to have been chosen,' and had no idea she was being nominated. She's been involved with student government, and nominated for Homecoming Queen. Andy has been involved with football and said, "I'm very pleased and proud to have been chosen "Best All-Around." Andy would especially like to thank his parents, and dedicate this honor to their many years of help to him.

The Welcome Dance is a great way to start off the year. It takes your mind off of everything and just lets you relax. Warming smiles and lots of enthusiasm made the night just right for a good time.

Head First, a band that was with us for a second year, added a perfect musical atmosphere for dancing and socializing. Many old friends were reunited, but better yet, new friends were being made. The night was, again, a great success!

WELCOME DANCE

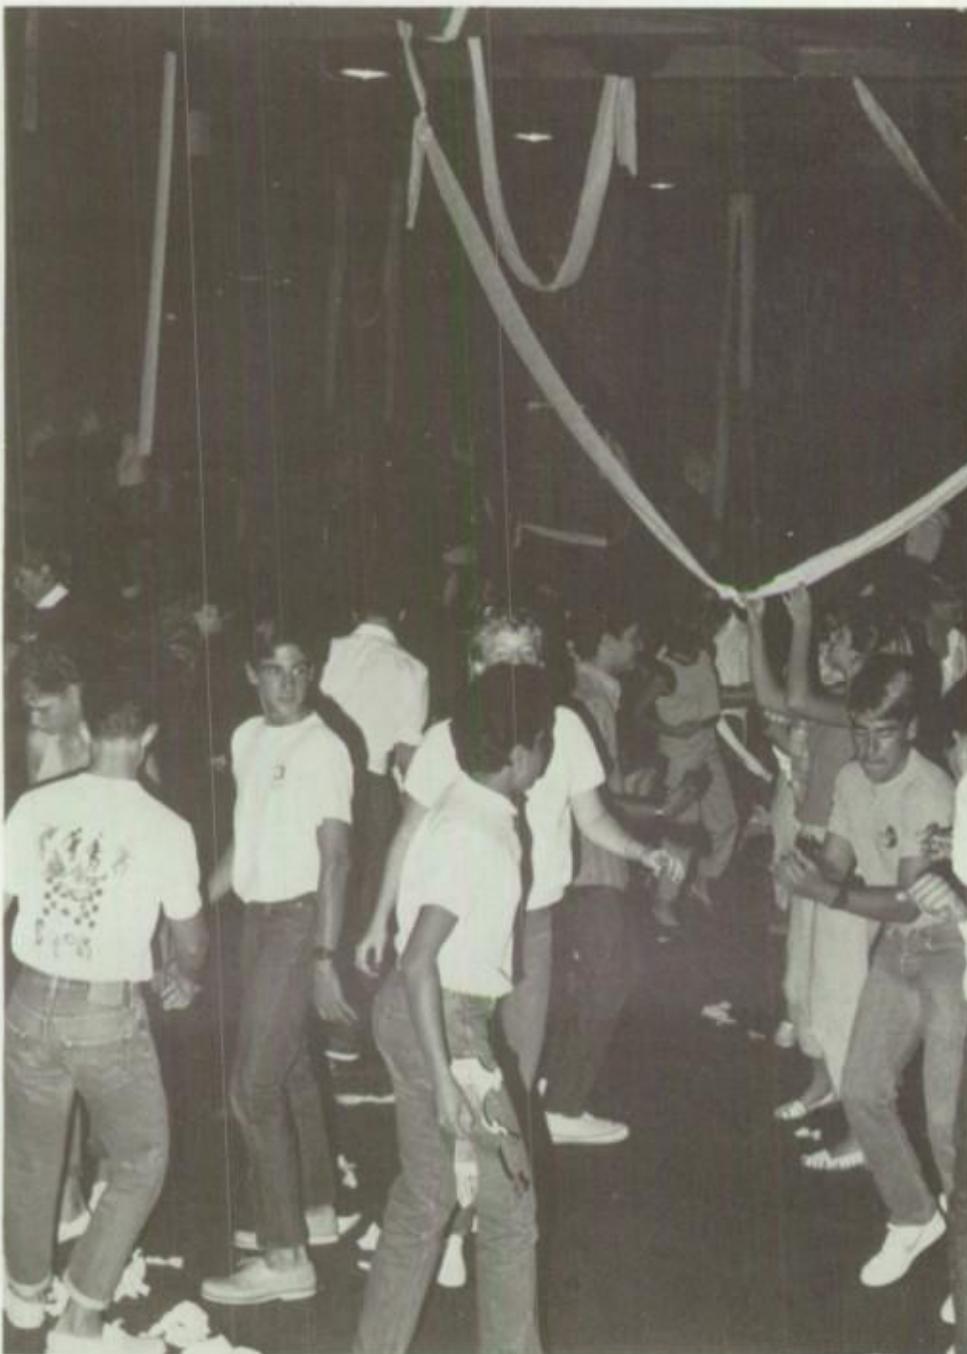

1. Dancers watch their every step while out on the dance floor.
2. Turn your head, it's time to pose for a picture.
3. Head First leads all the fun with their music.
4. Deanna Sola looks tired from all the excitement.

2. Jennifer Baxter, Michelle Sablan, Jennifer Mendoza, and Amy McCasaland at their first Welcome Dance.
3. Everyone is socializing, dancing, and making new friends.
4. The leadsinger of Head First is doing his best to entertain the crowd.

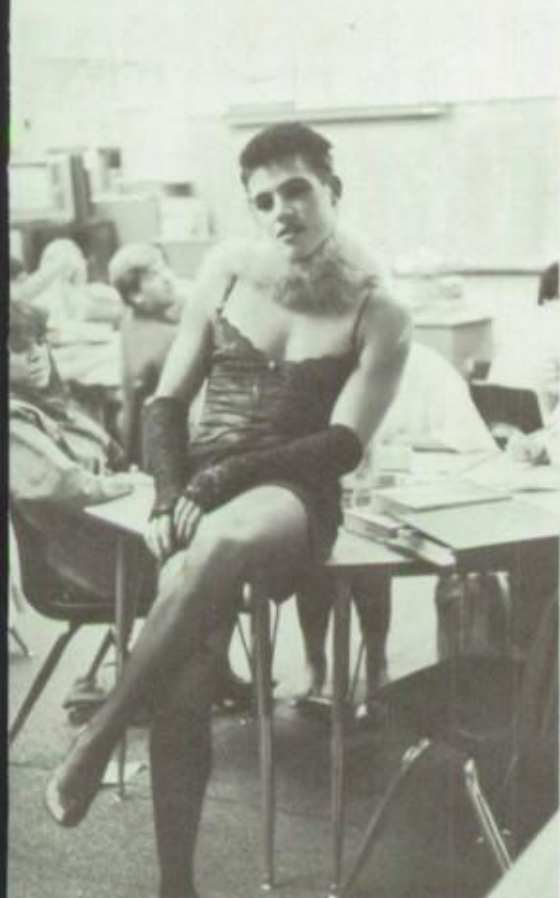

MORP DANCE

The Morp Dance was a dance that catered to those who like to eat fast food and dress down to an extremely casual look such as sweats. The dance itself was a night filled with great music, great dancing, break dancing, and of course great people.

HALLOWEEN

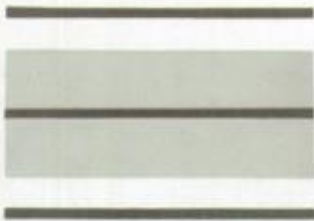

It's October 31, and lurking around every corner is . . . a mar-tian? a bumble bee? a shower cur-tain? This year the Ocean View alumni showed their spirit and en-thusiasm by dressing up on Hallo-ween day and participating in the traditional lunchtime activities. Candy and other prizes were given to winners in categories such as funniest, scarriest, cutest and most original.

For those who didn't dress up, they got to see the rest parading around in costumes ranging from the scarriest to the most bizzare!

1. Hollywood, here I come!!

3. Aren't clowns supposed to be sad?

EXECUTIVE

BOARD

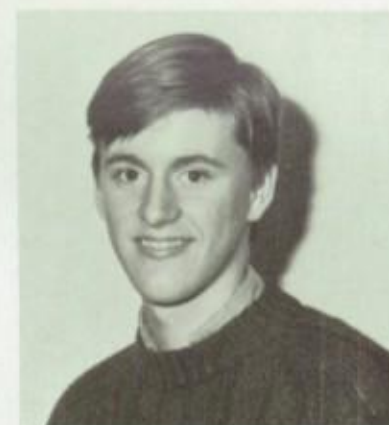

The 1984-85 Executive Board has come a long way since they were sworn in last June. This year's Board consists of A.S.B. President Mike Halverson, A.S.B. Vice President Nicole Fresca, A.S.B. Treasurer Lynnett Paris, A.S.B. Secretary Michele Board, Chairperson of Student Senate Janie Watts, Commissioner of Organizations Paul Ramsey, Commissioner of Communications Tony Lopez, Commissioner of Education Phil Watson, Commissioner of Activities Jennifer Baker, Commissioner of School and Community Relations Andy Sauter, Commissioner of Pep Kellie Bodlovich, Commissioner of Athletics Trish Takido, Senior President Mike McGlinchey, Junior President Dawn Martinez, Sophomore President Sally O'neil, Freshman President Heather McCormic, and last but not least, Mr. Webb.

The Executive Board is a group of either elected or appointed officers who meet every day fourth period as a class, and yes they are graded for their work. Tuesdays and Thursdays are formal meetings where Request for Payments forms are passed and old and new topics are discussed. Monday, Wednesday, and Fridays are informal days. This is a time for a president or commissioner to accomplish their specific jobs whether it be planning for a Board meeting, pep rally, dance, candy sale, or making posters.

The Executive Board plans all of the dances, pep rallies, lunchtime activities, and many evening events keeping the interest of the students here at Ocean View at all times so that no one is excluded because of coast or interest to any school activity.

Although a lot of their work goes unnoticed, their reward comes from the satisfaction of knowing that the Student Body is pleased with the Activities they planned.

ELEPHANT MAN

O.V.H.S.'s production of THE ELEPHANT MAN was tabbed by many who saw it as the finest high school production they had ever attended. The show featured a talented cast made up of both theatre students and students from the general student body.

THE ELEPHANT MAN told the story of John Merrick, a horribly disfigured man who lived in the late 1800's, and how, after being discovered in a circus side show, he was allowed to become part of society which heretofore had shunned him because of his appearance. On a larger scale, however, it retold the too often forgotten maxim that there exists a fundamental goodness in all of us.

THE REAL JOHN MERRICK. The physical deformities which afflicted him, made it nearly impossible for him to survive in society, until he met Frederic Treves, a respected doctor and surgeon. Treves helped to introduce him to upper class society.

ILLEGAL ACTIVITIES

The teen project is a positive peer pressure group which deals with the issue driving while under the influence. This, however, we feel is the final result of a more serious problem, so a counterpart to CTP is peer counseling. This counseling group was installed January of this year, with teenage adolescents as the counselors, helping other teenagers to help themselves. The peer counselors are required to take a 7th period training class that will enable them to deal with real problems that they may be forced to face. However, serious problems usually led to competent referral. The California Teen Project started a year and a half ago with only 30 under the organization of its co-presidents, Dawn Martinez and Trisha Takido. The Advisor is Mrs. Kanode. This year the group has increased to a 75 strong active members. Since the group has grown so big we have acquired an advisory board. The advisor board is formed with 5 sub-committees consisting of 2 students leaders and one faculty advisor.

PEP RALLIES

One of the many things Ocean View is known for is spirit, which is largely a result from our pep rallies. It is not uncommon to see Seahawks of every kind coming to show their spirit or to participate in a class competition.

Kellie Bodlovich, Commissioner of Pep, usually would start off the rally with an enthusiastic welcome to the crowd. Trisha Takido, Commissioner of Athletics, would soon follow introducing the seasons sports or team captain. Following the welcome, songleaders, yell, drill team, or flag would perform a routine to a familiar tune providing entertainment and enthusiasm to the crowd. Each pep rally consists of a class competition, where it can be anything from a pie eating contest to a relay, the sky's the limit when it comes to crazy stunts!

The pride and spirit here at Ocean View will always be great, and the credit goes to the student body, may you always wave the cardinal and the gold.

DREAMS

At the Anaheim Convention Center on December 15th the 1984 Winter Semi-formal dance was held. The theme, "December Dreams" will be a night for many people to remember. The winter dance, a tradition at Ocean View gives the ladies a chance to treat the man of their choice to an "all expenses paid" evening out.

Popular restaurants among many couples were Orange Hill, Bobby McGee's, and The Black Angus. After dinner it was off to the dance. Despite the rain, the evening was a big success for the 250 couples who attended. Although the dance was a semi-formal event, a small few challenged to be different and "went all out." Formal attire was worn by this small group and, for some, limousines were rented.

The evening was danced away to the music provided by the band "Rollercoaster" who played a wide variety of old melodies as well as new, contemporary ones.

As the evening progressed, memories were made for this holiday season. The great times shared will always be remembered, and the fun times will be captured in all minds forever. The Christmas dance of 1984 was truly a night of "December Dreams."

QUEEN OF COURTS

Ocean View's annual Queen of Courts ceremony has traditionally been a tremendous success, and this year was no exception. More royalty was added this year by nominating a prince from each underclass. The crowning of the prince and princess was the center of attraction at the pep rally held in favor of Queen of Courts during lunch. The freshman princess nominees were Holly Genet, Nadine Pickens, and Lisa Smith and the freshman princess was crowned **HOLLY GENET!** The freshman prince nominees were Ramzi Ataya, Marcello Danze, and David Keiser, and the freshman prince is **DAVID KEISER!** The sophomore princess nominees were Heather Archibald, Christine Buchanan, and Alisha Watson, and the sophomore princess was crowned **ALISHA WATSON!** The sophomore prince nominees were as follows: Eric Christopherson, Phil Gentry, and Bill Grace and the winner is **ERIC CHRISTOPHERSON!** The junior princess nominees were Michelle Board, Dena Kimble, and Lynette Paris, **MICHELLE BOARD** was crowned princess! The King nominees were Mike Halverson, Tony Hocker, Tony Lopez, Mike McGlinchey, and Dave Straight. The Crowning took place during the half-time when the jester approached the stage and announced the **NEW 1985 QUEEN & KING OF COURTS JENNIFER BAKER AND MIKE MCGLINCHY!** The excitement continued as the Seahawks made a victory over Marina, 71-41. The Seahawks finished the evening with a victory dance which was held in the commons.

DATING GAME

Valentines day brought around Ocean Views seventh annual dating game, along with two happy new couples.

As the music started our three eligible bachelors Stan Olsiewski, Mike McGlinchey, and Tony Lopez strutted across the stage to their designated seats. With three such good-looking men how could Laura Mithoss from Huntington Beach High School resist. The questions fired back and forth with such responses as Tony Lopez singing his romantic song "If you want my body." Mike McGlinchey's quick but charming answers made him the lucky bachelor. The two will spend a delightful evening at Casa Maria donated by the restaurant itself.

Next our three beautiful bachelorettes Lisa Magnum, Sandi Propas, and Jenny Beatty stepped out on the stage. With a mix-up of bachelors Scott Rachels a very eligible man himself stepped in to fill the position. The girls came back with some great responses to Scotts "wild-n-crazy" questions. Jenny Beatty was chosen the lucky bachelorette. This lucky couple will also spend a fun-filled evening dining at Casa Maria.

All-in-all the dating game was a big success.

CHORUS

This year Ocean View's Vocal Ensemble created a new name, and a new reputation for themselves. Performing mostly Show Choir music, the group performed for KDOC TV, the Huntington Beach Chamber of Commerce, Knott's Berry Farm and many private parties during the Christmas holiday season. The highlight of the year will be their performance on board the S.S. Azure Seas, during a 5 day cruise this July. This group has come to be known as "The Voice of the Seahawks."

This year's choir had an exciting experience first semester working under the direction of a student teacher, Mr. Bill Wolfe. The group performed in several concerts, as well as for local Junior High Schools.

Chorus II is a small girls' choir which is by audition only. The girls performed in every concert, adding choreography and costumes to their performances.

A new class added this year to the fine Arts Department, Performance Dance is off to a great start. With over 60 students clamoring to enroll each semester, the group stayed quite large, and successful all year. The instructors were Mrs. Shari Holz and student, Cindy Pica. Concerts were put on each semester, and 8 lucky girls from this class will be performing on board the S.S. Azure Seas this July, as the "Seahawk Gold Dancers."

VARSITY SONG

Names: Lisa Bonnett, Nancy Sperling, Sheri O'Neil, Jill Windsor, Dana Douty, Caryn Ainsworth, Diana Luna, Kristi Arnold.

Varsity Song

This year's varsity song squad was composed of eight talented girls led by captain Sheri O'Neil and co-captain Jill Windsor. These enthusiastic girls participated in pep rallies and competitions where they demonstrated a new style of routines different from previous years.

These girls showed off their pride and spirit by cheering and performing at all football and basketball games throughout the year. This close-knit team has had many memorable moments together and are proud to have been a part of the Seahawk Spirit!

VARSITY YELL

Varsity Yell

This year the Varsity Yell squad consisted of 12 members. This being the second year having a male participator on the squad, proved positive, for it challenged the abilities of the girls to perform more threatening and complicated stunts.

Throughout the school year, numerous pep rallies allowed the yell leaders to perform what they had worked so hard to achieve creating additional school spirit and enthusiasm in the crowds. They also attended some competitions where they received an "outstanding" award. Most importantly however, is how the squad learned to work together as a group and together they cheered the Seahawks to victory!!

FROSH-SOPH YELL

Frosh-Soph Yell

Despite some injuries, this year has been an exciting and worthwhile time for Frosh-Soph Yell. It has been a year for making friends and learning what cheerleading is all about. The team was honored and fortunate to have had the chance to compete with Varsity Yell. Though it was a lot of hard work, the competition was a great experience. Football and Basketball season were really fun. Because of the strong school spirit at O.V., this year on Frosh-Soph Yell has been, rewarding, and memorable.

SMALL MILITARY

We've got spirit, yes we do!

The 1984-85 Drill Team had an outstanding year. Back in the summer at U.S.A. camp, the Drill Team received first place and earned both the Spirit Stick and the friendship boot. With the field show, the team earned 2 first place trophies and a sweepstakes trophy as well.

Their main and most enjoyable goal is to entertain their school. They perform more than any other school in the district, showing their pride at pep assemblies and Varsity football and basketball games. Thanks to the super talent of this year's team, they were invited to march in the Chinese New Year Parade in San Francisco.

Led by captains Debbie Ryan and Andrea Gjertsen, and guards Lisa Daniel, Stacy Nichols, Dawn Petran and Amy Salee, the Drill Team has had an exciting and very successful year to remember. We would like to express a special thanks to Jeanne Kleker for assisting the Drill Team throughout the year.

TALL FLAG

Guards — Diana Mullens and Lisa Weisman

1984-1985 has not only been an award winning year for Ocean View's Flag Team, but a fun and exciting one as well. Under Captain Laura Finley, Co-Captain Kayra Goodaker and Guard's Diana Mullins, and Lisa Weisman this 24 girl team worked hard to be the best team ever. For starters, the squad showed off all their Seahawk pride and enthusiasm by receiving the U.S.A. Flag Camp Spirit Stick and placing second at their first camp competition. Moving into football season, the team performed at home games and placed first at the La Habara and Pomona Field Tournaments. The team also performed at basketball games, pep assemblies and court competitions. A major highlight for this bunch of girls was their trip to San Francisco as they marched in the Chinese New Year's Parade. "Your hard work has paid off girls." Congratulations and keep your Seahawk Spirit and pride alive.

Ocean View High School Marching Band and Tall Flags had an active and rewarding year. This fall, with Medardo de la Cruz as drum major, competed in three half-time competitions, placing first at the La Harbara Field Tournament. We supported the Seahawks at football games, with pep-py tunes, and half-time shows. Marching in parades took us to Disneyland, and down Main Street.

This winter the band supported the victorious Seahawks in basketball, with an elite Pep Band. The concert band, directed by Mr. Keys and assistant director Mr. Chaffee, prepared a joint Christmas concert with the choir and vocal ensemble. Christmas music, traditional and contemporary was performed.

Spring brought the band and flags to the Chinese New Year's Parade in San Francisco's China town, as well as Dodger Stadium. The concert band presented a Spring concert where we worked hard refining and perfecting classical and modern music.

Fun, rewarding and challenging, the band looks forward to another good year. "And the band played on!"

OCEAN VIEW
SEAHAWKS
HIGH SCHOOL

VARSITY FOOTBALL

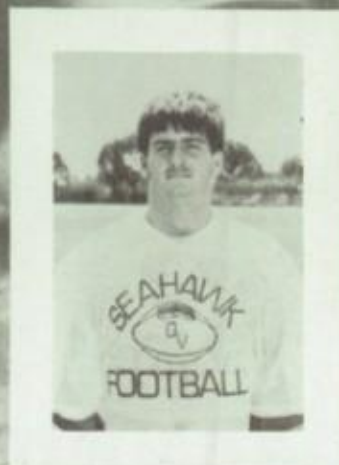

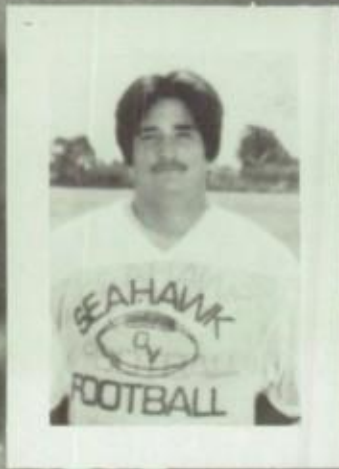

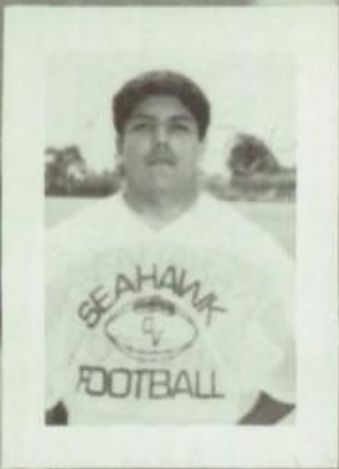

1984 VARSITY

1984 was a new beginning for Seahawk Football. Under the direction of New Head Coach Karl Gayton, the Seahawks worked their way through a 2-win, 8-loss season. That football enthusiasts at Ocean View can see as a base of a strong program here in the future. The Seahawks began building since last summer when the team built its own weight room facility and a place to call their own on campus. Without a doubt, our entire school community is looking forward to the progress with the results showing up in the win column with future set Seahawks teams.

The Seahawks opened with a big win over Estancia before seeing many players so down with injuries. As the season came to a close and the seahawks were healthy again few could only see what could have been after a strong finish, the last three weeks of the season. The highlight, of course, when the seahawks spoiled Huntington Beach Oilers Homecoming with a big Seahawk win 34-14. Many great accomplishments for this year team including five all league selection and the respect of an upcoming program bring anticipation of next year with great expectations.

Sophomore Football — 1984

The 1984 FOOTBALL SEASON was highlighted by dedication and growth for Ocean View's sophomores. Though winless in nine games this year, many positive aspects were exhibited by the 36 team members who played throughout the season.

Fine defensive play was exhibited throughout the season by defensive end Louie Mayorga, who led the entire team in the total number of tackles this year. Receiving recognition as the team's best lineman was Jason Dallas, while Richard Cronk and Shannon Miller were honored as the team's best backs. The Coaches' Award, significant of the team's Most Valuable Player, was awarded to Kurt Szuba for his excellent play on the field and fine leadership qualities.

WE ARE THE FUTURE . . .

This statement more than any other, truly describes the "84" freshmen football team. These freshmen, already, have met the future and turned it into OVHS history. With a seven and two record, this "84" team has broken a three year losing streak. This team average twenty-two points a game, and has allowed an average of five point game scored against it.

These freshmen are the future for OVHS football; and OVHS football history will be written by these young men.

SURFING

The Seahawk Surf Team had its best year ever in the 84-85 season, earning a 9-4 overall record in the toughest leagues on the coast. Ocean View placed fourth in the Sunset League and third in the Offshore League.

Top surfers for Ocean View this year were Mike Takayama, Chris Panaia, Bill Lloyd, Fred Weiser, Don Fields, Tim Bruner, and Brett George. Top kneeriders were Phil West and Tim Bruner. OV had two outstanding girl surfers this year: Sally O'Neill and Shelley Ostlund. Sally O'Neill captured second place in the Sunset League All-Stars.

According to team captain Brett George, the squad will be even stronger next year. Of the top seven surfers, only Mike Takayama and Chris Panaia are seniors. They will be missed, but Ocean View's team is young and rapidly improving and hopes to improve over the year's fine record.

CROSS-COUNTRY

Top Row, L-R: Coach Chilcott, Coach Calvano, Brad O'Brien, Chris Hilf, Brian Ravls, Brad Peterson, Lars Gunnarsson, Tony Lopez, Drew Shefhelo, Haissam Sabra, Rodney Leiterman, Darryl Watson, Renzo Bernales, Joshua Smith, Roger Gaffney, Greg Van Patten, Coach Archibal. **Middle Row, L-R:** Ken Kennely, Shannen Karpel, Ann Scagillione, Kathy Herdman, Jacqui Bowen, Christine Buchanan, Erika Whistler, Kim Novkov, Jeff Platt, Mike Caldin. **Bottom Row, L-R:** Will Morrise, Jeff Napp, Kathy Karpal, Katrina Johnston, Akemi Royer, Teryn Deal, Susie Hackworth, Heather Archibald, Emi Suzuki.

The girls' cross-country team had a successful year and can only get better in the years to come. Fielding a young team comprised of only sophomores and freshmen, the varsity was very competitive in a tough league. The Seahawk runners beat everyone in dual meets except F.V. and Edison. Fine performances were continually turned in by Akemi Royer and Erika Whistler. Added strength in depth was gained by Shannen and Kathy Karpel. The girls' J.V. team had some fine performances by Jacqui Bowen and Katrina Johnstone.

They also had a respectable year in league dual meets.

The Ocean View Cross-Country team lost three of its top runners from last year's league champion squad which made it difficult to repeat as a league contender again this year. There were, however, several bright spots this

season for the Seahawks.

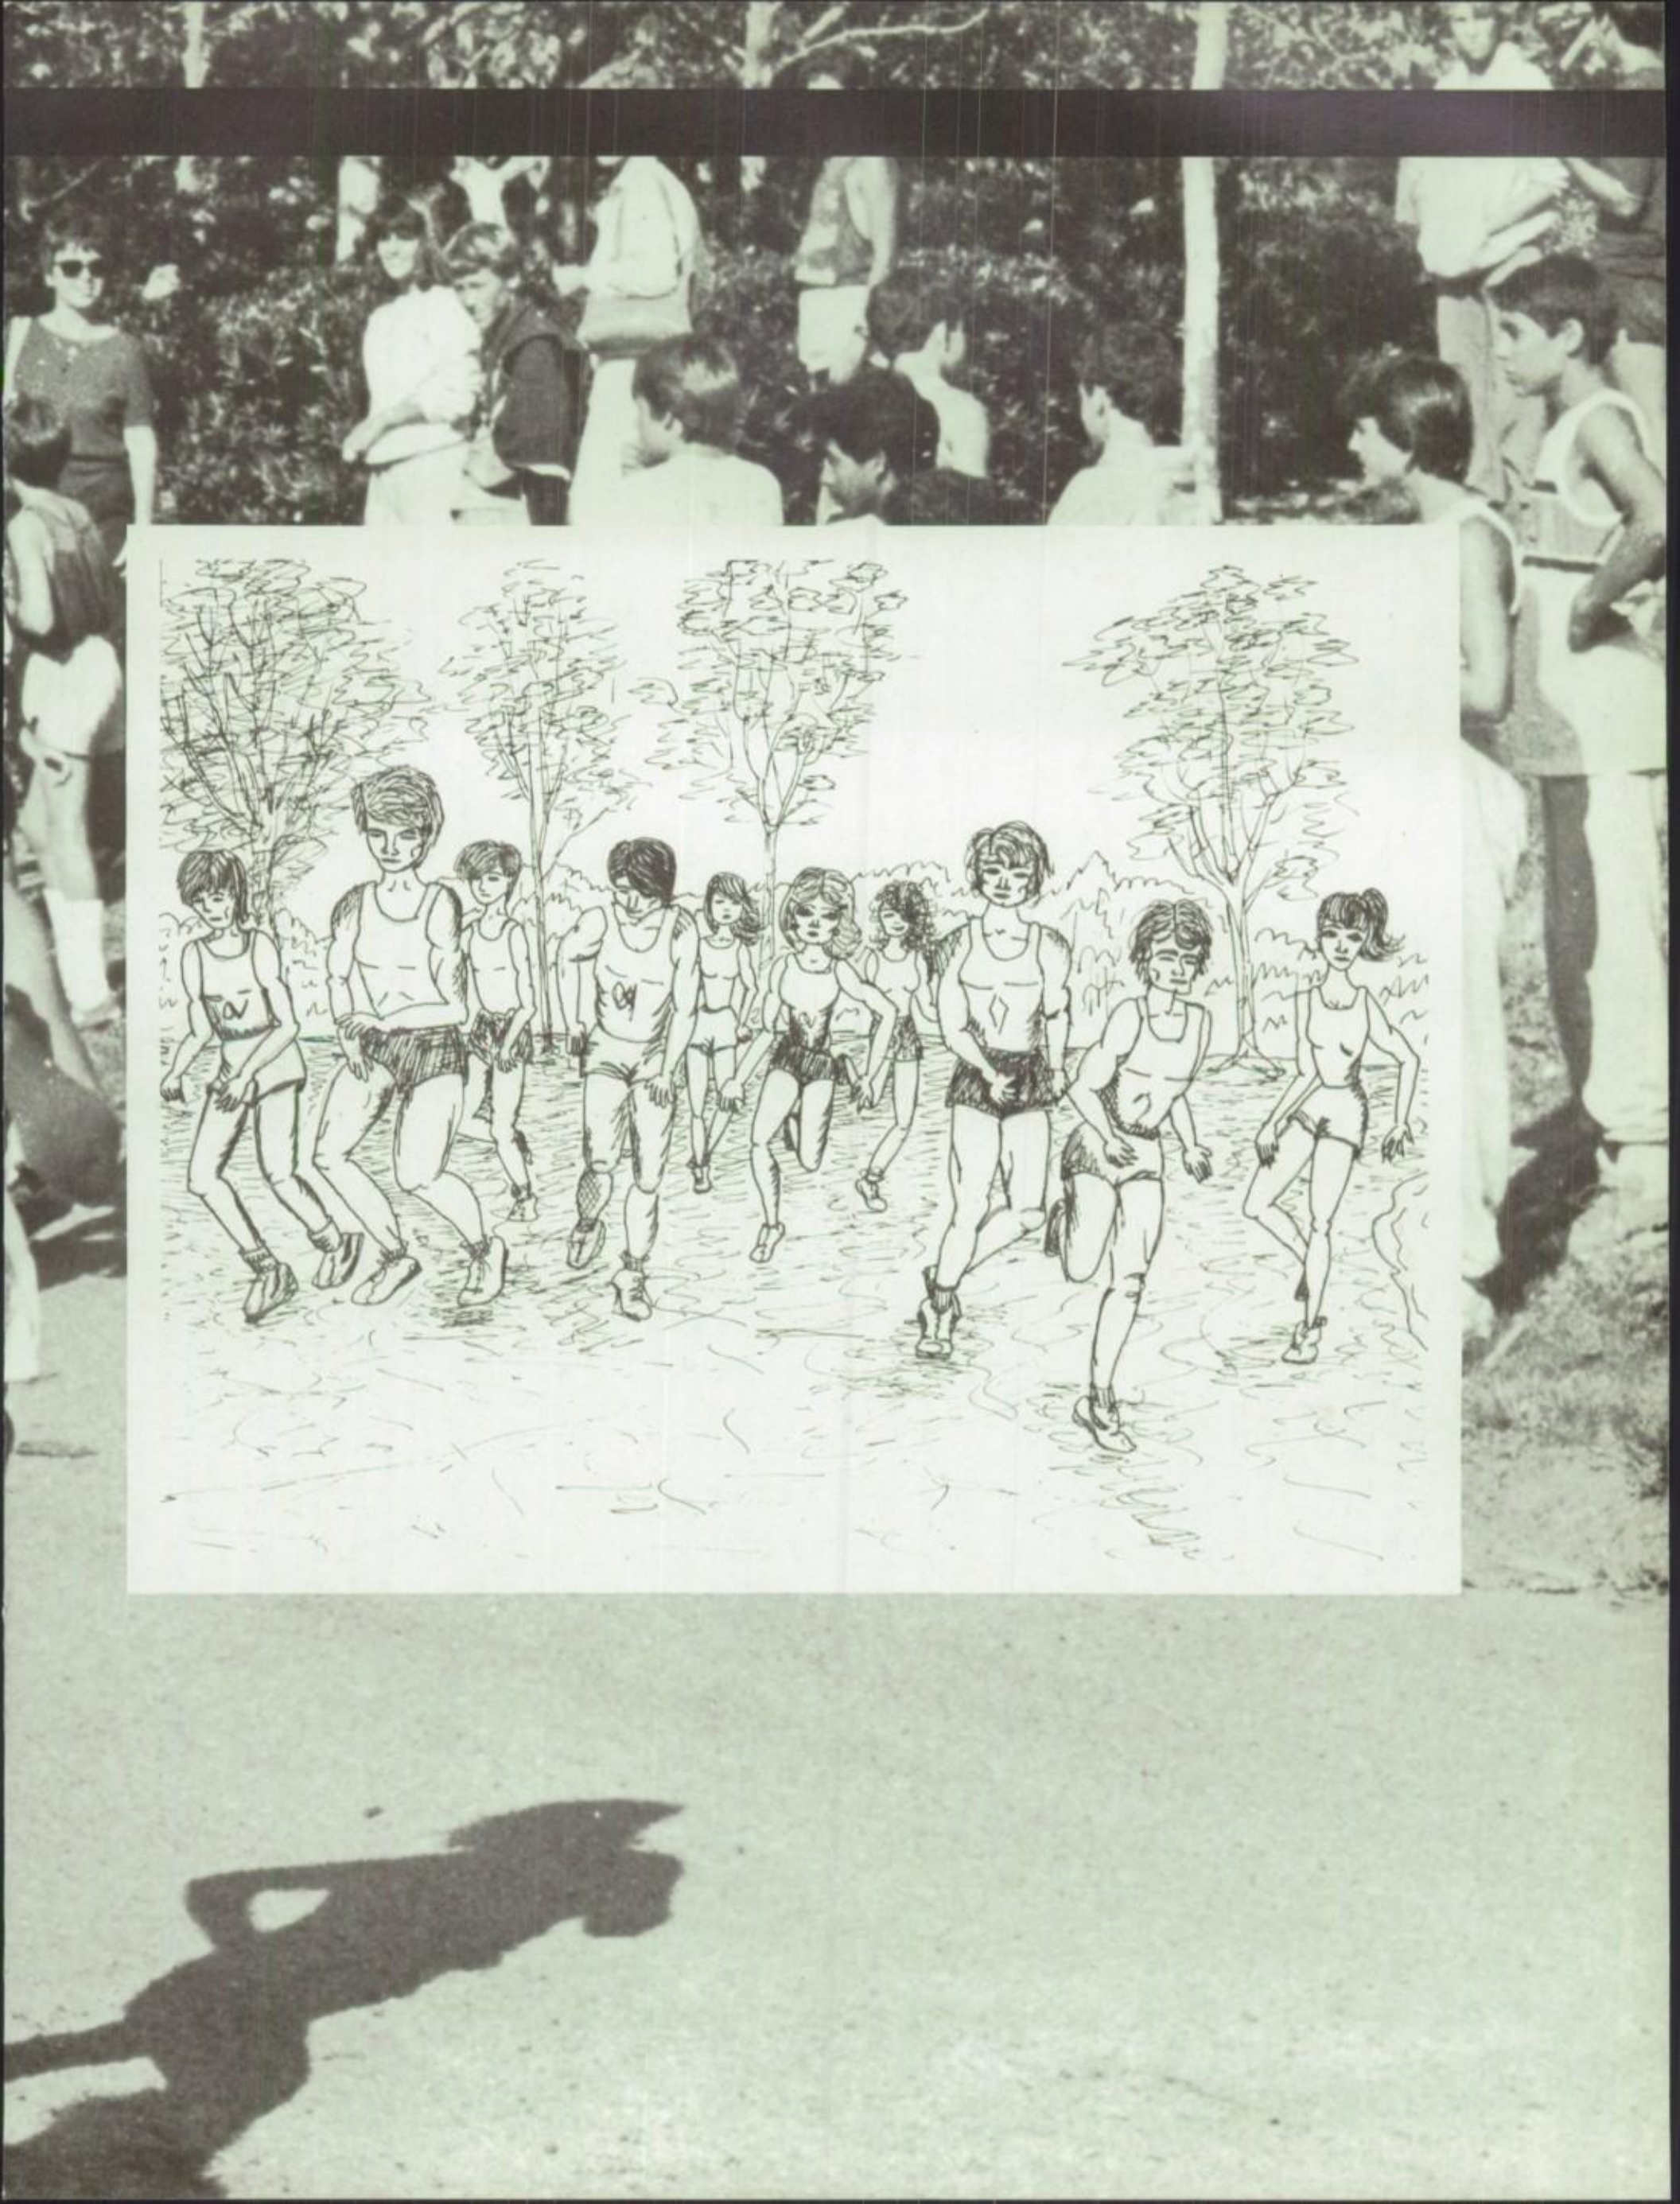

Sophomore sensation Haissam Sabra led the Varsity team. Winning four of the team's five Sunset League dual meets. He also set a Sophomore record at the Dana Hills Invitational, won the Central Park Invitational, and had the second fastest time of any sophomore in the country at the Orange County Championships.

The Junior Varsity team has placed by sophomore Brad O'Brien, who was voted by his team as the MVP.

The Freshman team had a very successful season compiling a 3-2 league record and placing second in the league finals meet. Greg Van Patten was the top runner on the Freshman team, but the success of the team was due to a balanced attack by many of the Seahawk runners. The success of the young runners on this year's team will insure a fine future for the cross-country program.

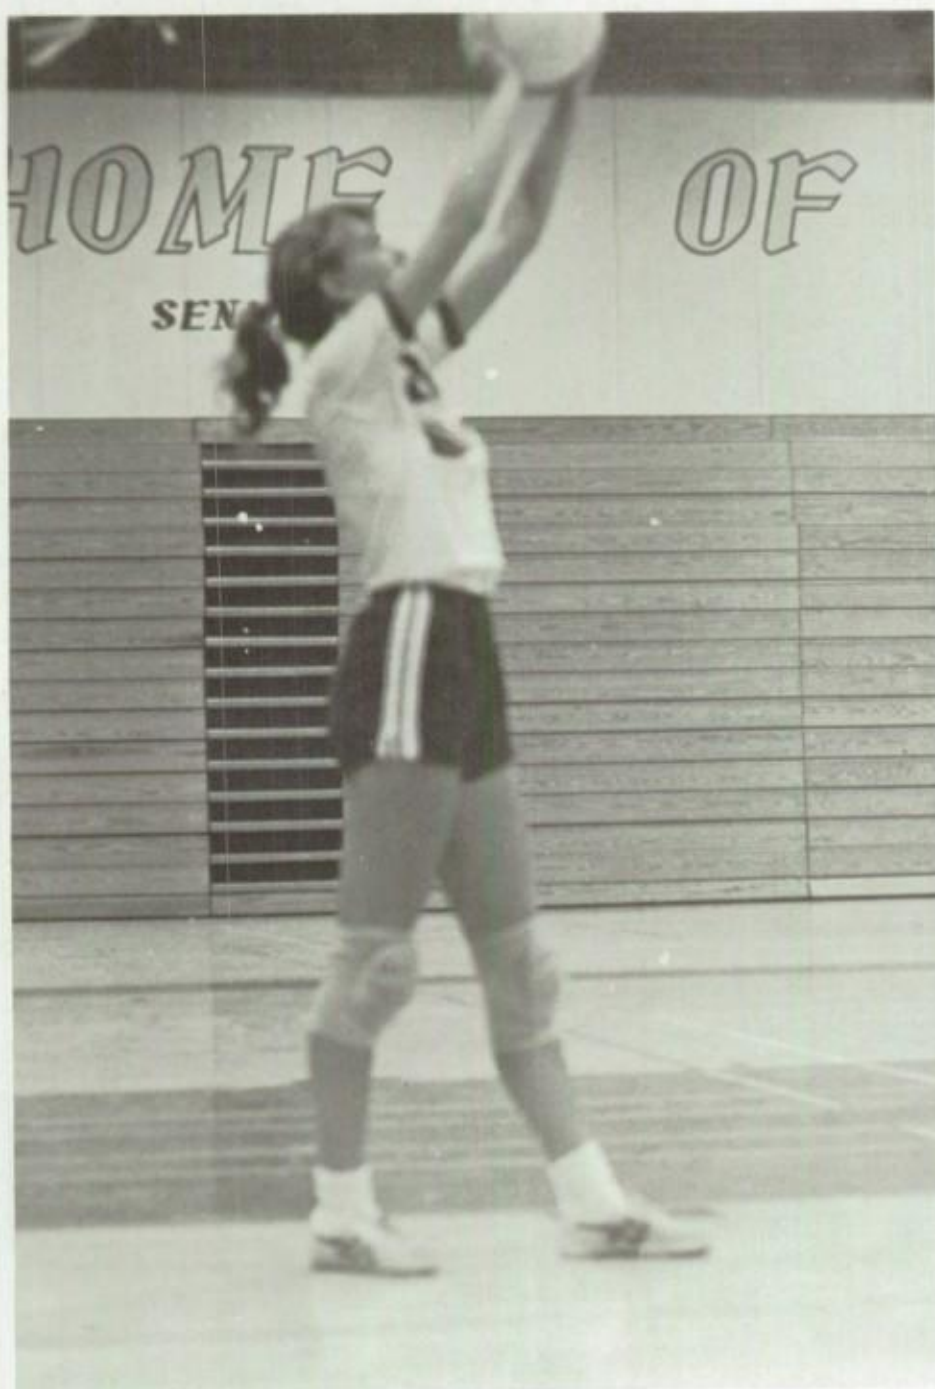

GIRLS' VOLLEYBALL

Top Row: Terry Zanelli, Debbie Orr, Trina Valchos, Shellye Straight, Sandy Miller. **Bottom Row:** Laura Simeck, Kim Albers, Lee Mullen, Michelle Board, Dalene Lawson, Christa Lawson.

The Girls' Varsity Volleyball Team, with only two seniors, improved tremendously from their last season efforts. Throughout tournament, league, and preseason play, it was evident that this team had the will and desire to achieve their individual goals. Outstanding traits of this young team were their spirit, enthusiasm and desire to achieve to their highest potential.

Leading the team this year with steady play was Laura Simeck, who was again this year voted by her teammates Most Valuable Player. The team will miss Laura, but being a young team with many upcoming players, the team should show our league we are a contender for the league's top 3 sports.

VOLLEYBALL

Top Row: Kim Kufus, Michelle Dalluge, Angie Diaz, Veronica Diaz, Tina Tembreullo, Susan Gordon. **Bottom Row:** Gretchen Bauch, Stacey Hunold, Doreen Rodriguez, Julie Hounsel, Christina Graveland.

The Seahawk season began with an outstanding performance that marched them to a GAHR tournament championship and ended with a Sunset league title.

The success of the team (17-2) was due to great efforts by Stacy Hunold (MVP), Dorreen Rodriguez (most inspirational), and Kim Kufus (most improved) backed by a hyper bunch of girls with a sincere desire to win! "WSKA Go, Fight, Win Seahawks you brut."

The Frosh-Soph. Volleyball team of 1984 continued the winning tradition in their efforts this year. They placed as Champions of the Sunset League for the second year in a row with only one returning player.

As is evidenced by their 12-2 win-loss record, they displayed dedication and effective competition skills throughout a very enjoyable season. Each player contributed with 100% effort to prove once again that we deserve the Champion title we earned.

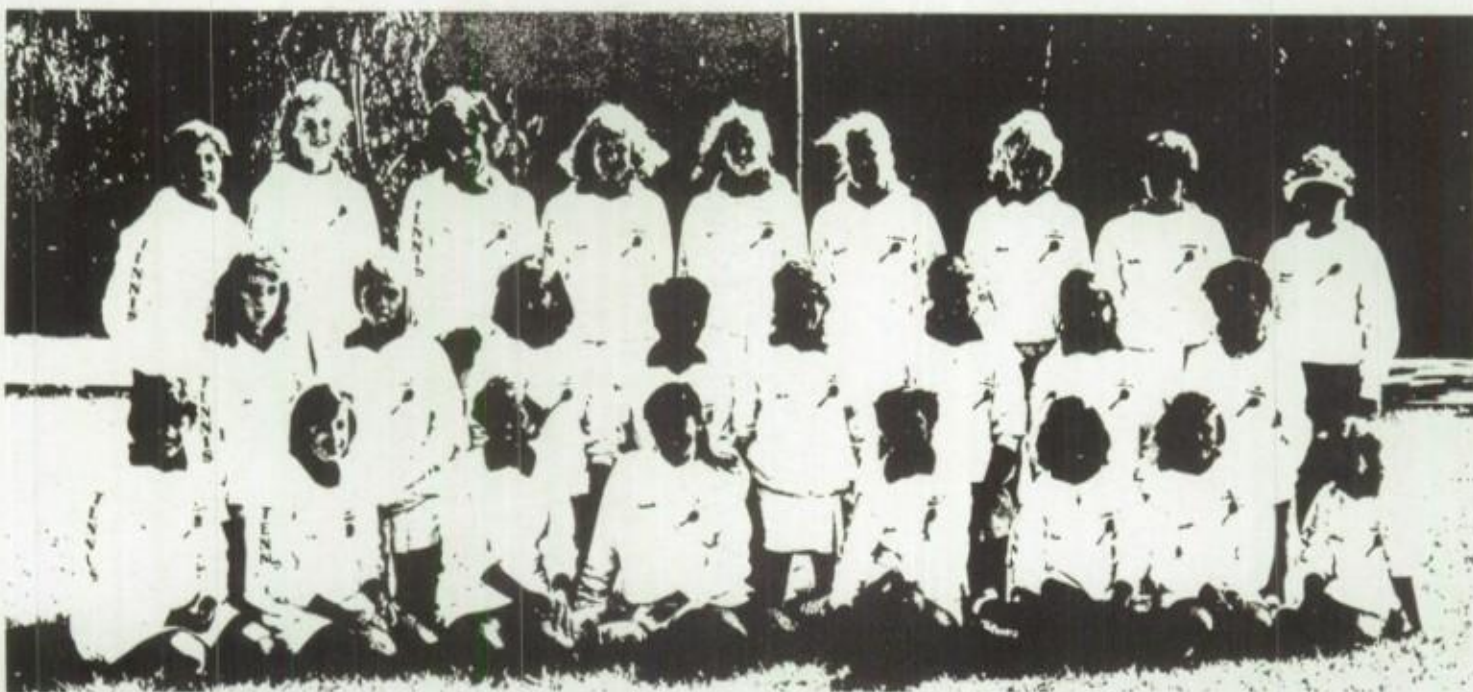

As we look at a full season we will remember 'secret pals,' playing our own sponsored tournament and all the special people we had the pleasure of meeting and sharing with on and off the court.

Top Row: Sarah Wang, Diana McKissick, Lisa Claytor, Cindy Schneller, Nancy Rich, Jenny Albright. **Bottom Row:** Andrea Weber, Kelli Cash, Suyin Young, Debbie Ogawa, Sara Dodge, Stacy Moser, Linda Simek.

The girls' tennis team is improving with each competitive season. This year's Varsity team had a 7 win-7 loss record finishing in fourth place in the sunset league. Each Varsity player improved throughout the season as demonstrated by an undefeated preseason ending with Cindy Hurzeler and Karrie Durr participating in C.I.F.

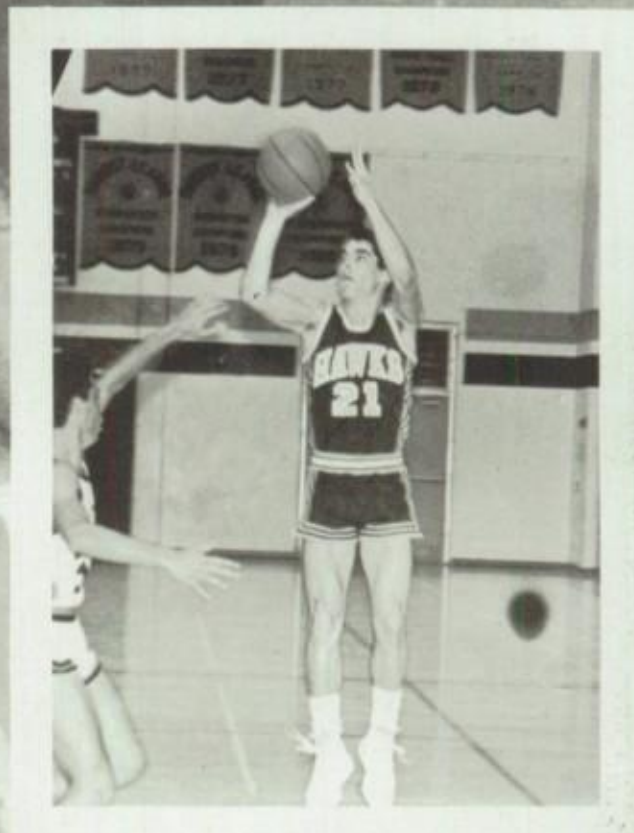

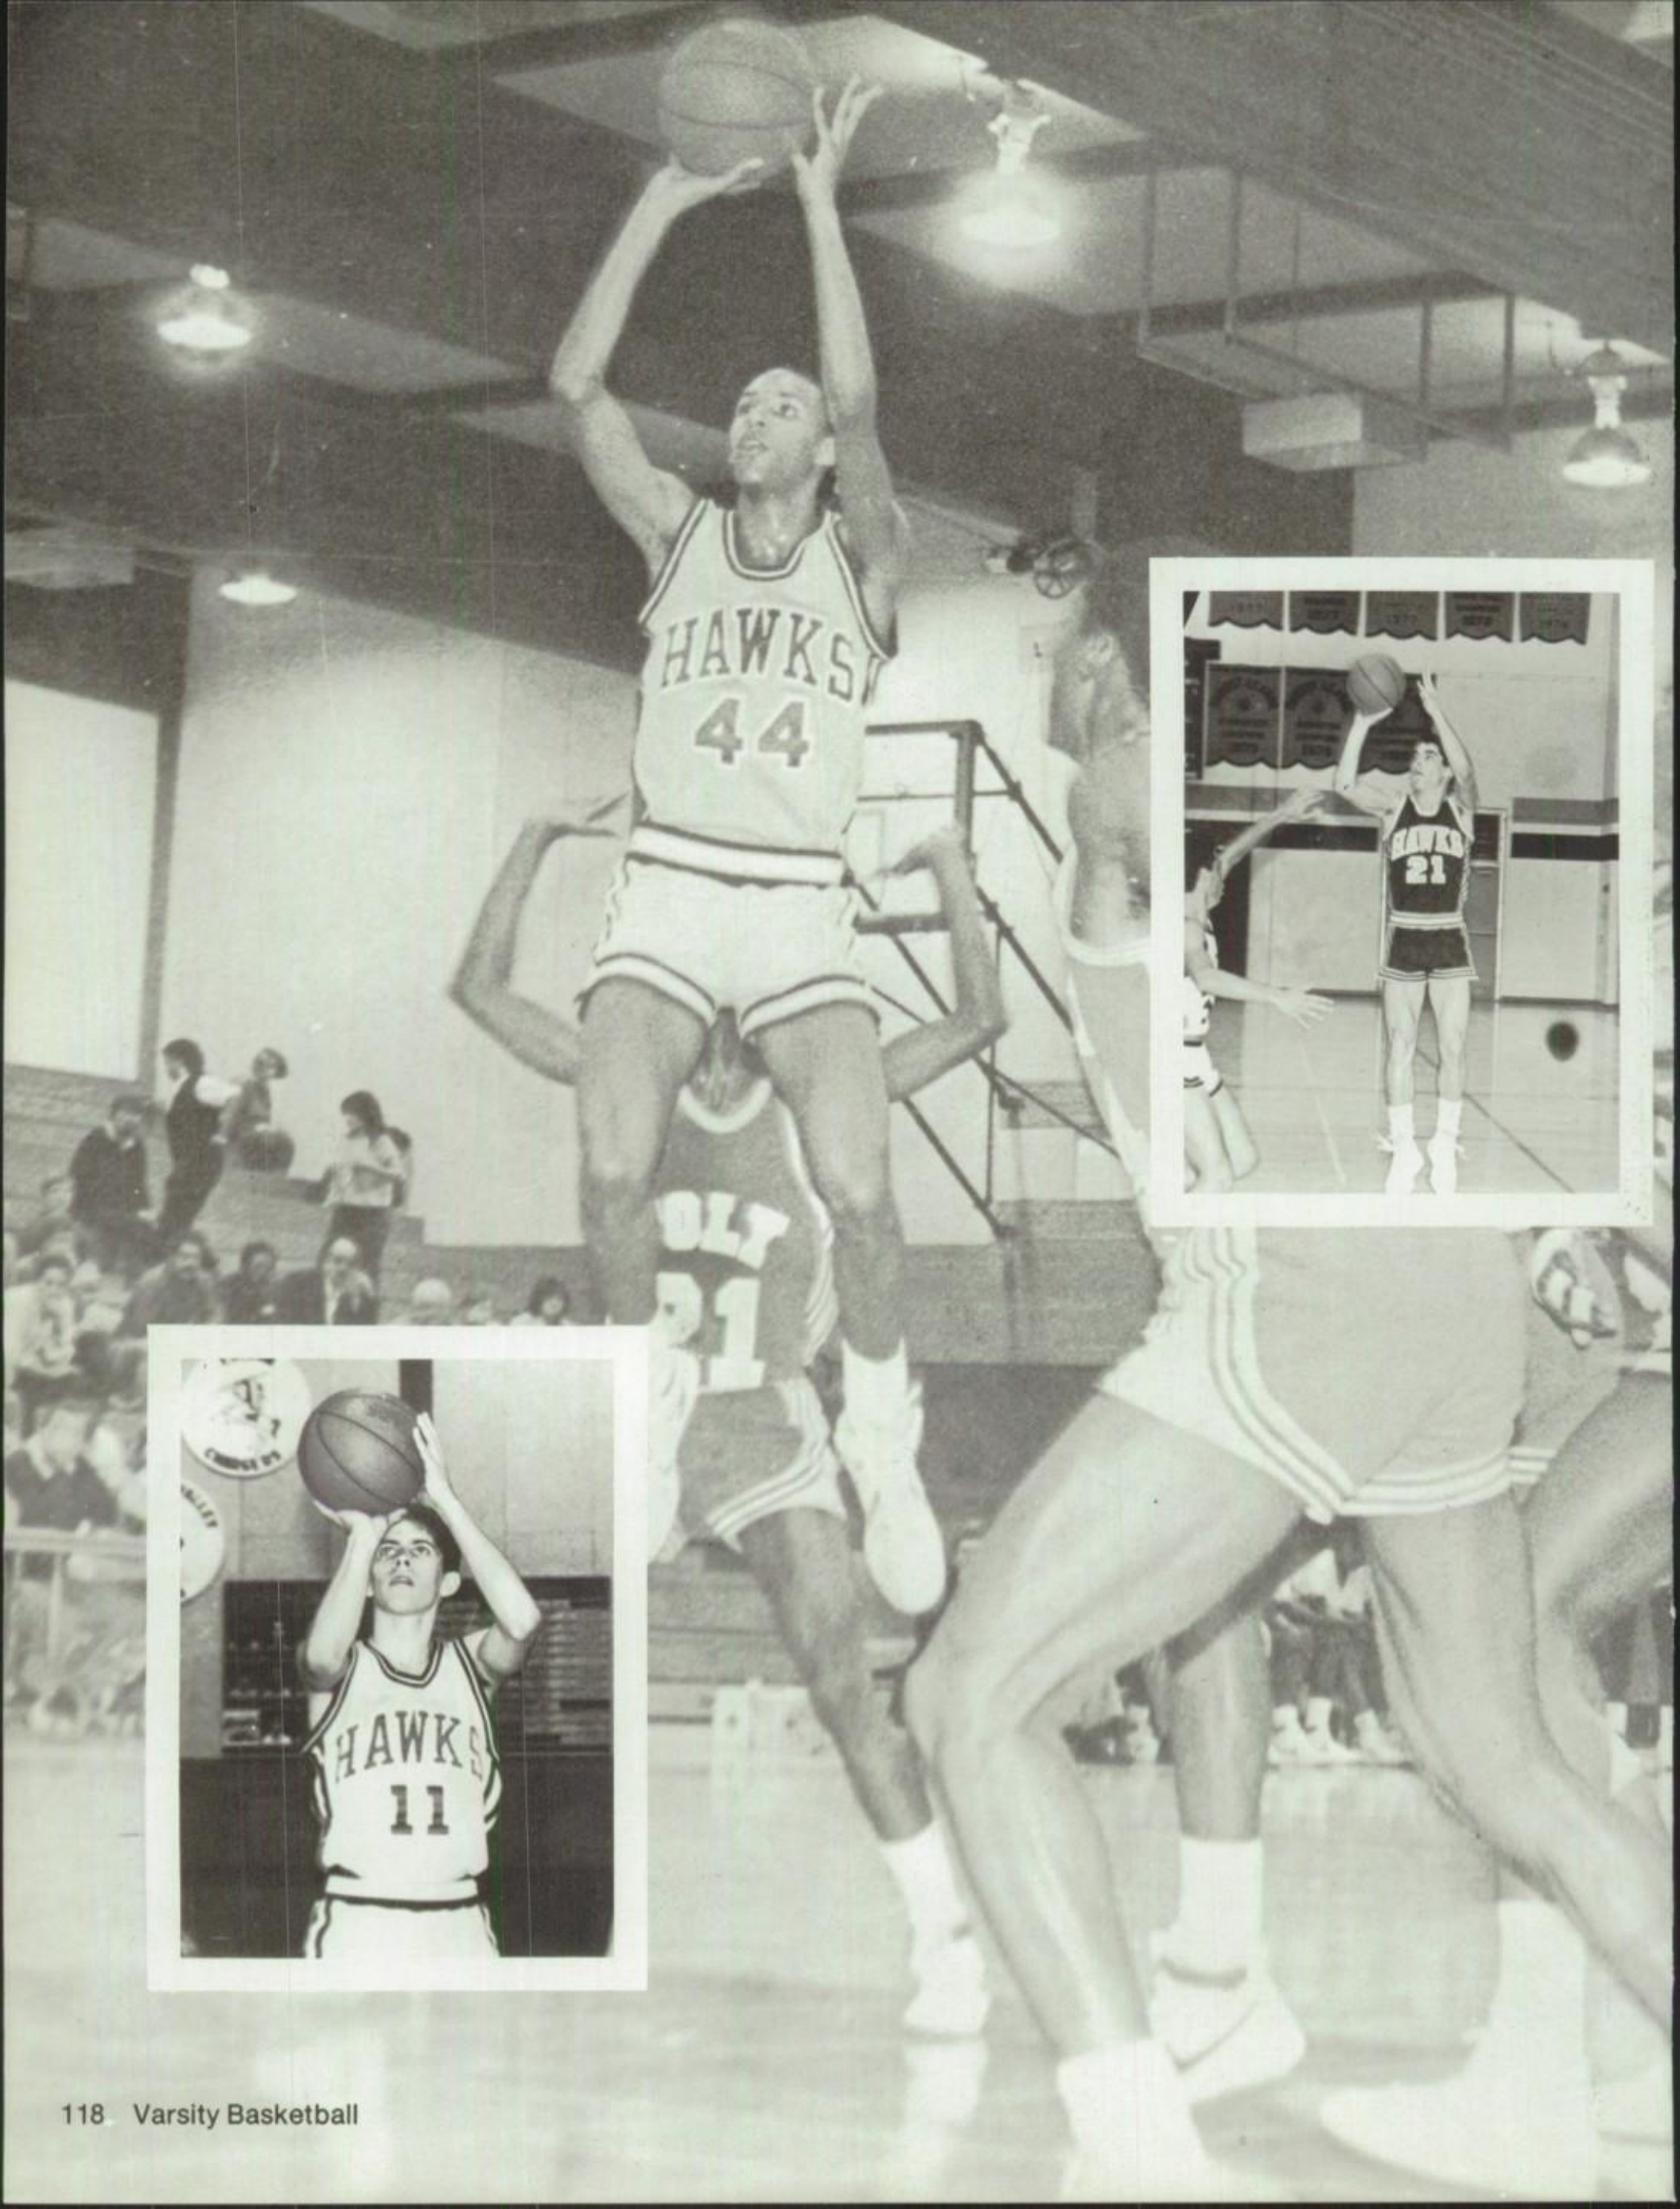

The junior varsity team was made up of several inexperienced but extremely willing young tennis enthusiasts. Like the varsity team, they also grew in skill through hard work and determination.

Coach Darnall said, "I measure success by the amount of individual improvement during the season, not by wins or losses. All the members of this year's tennis program can be proud for they represented Ocean View High School with pride and integrity."

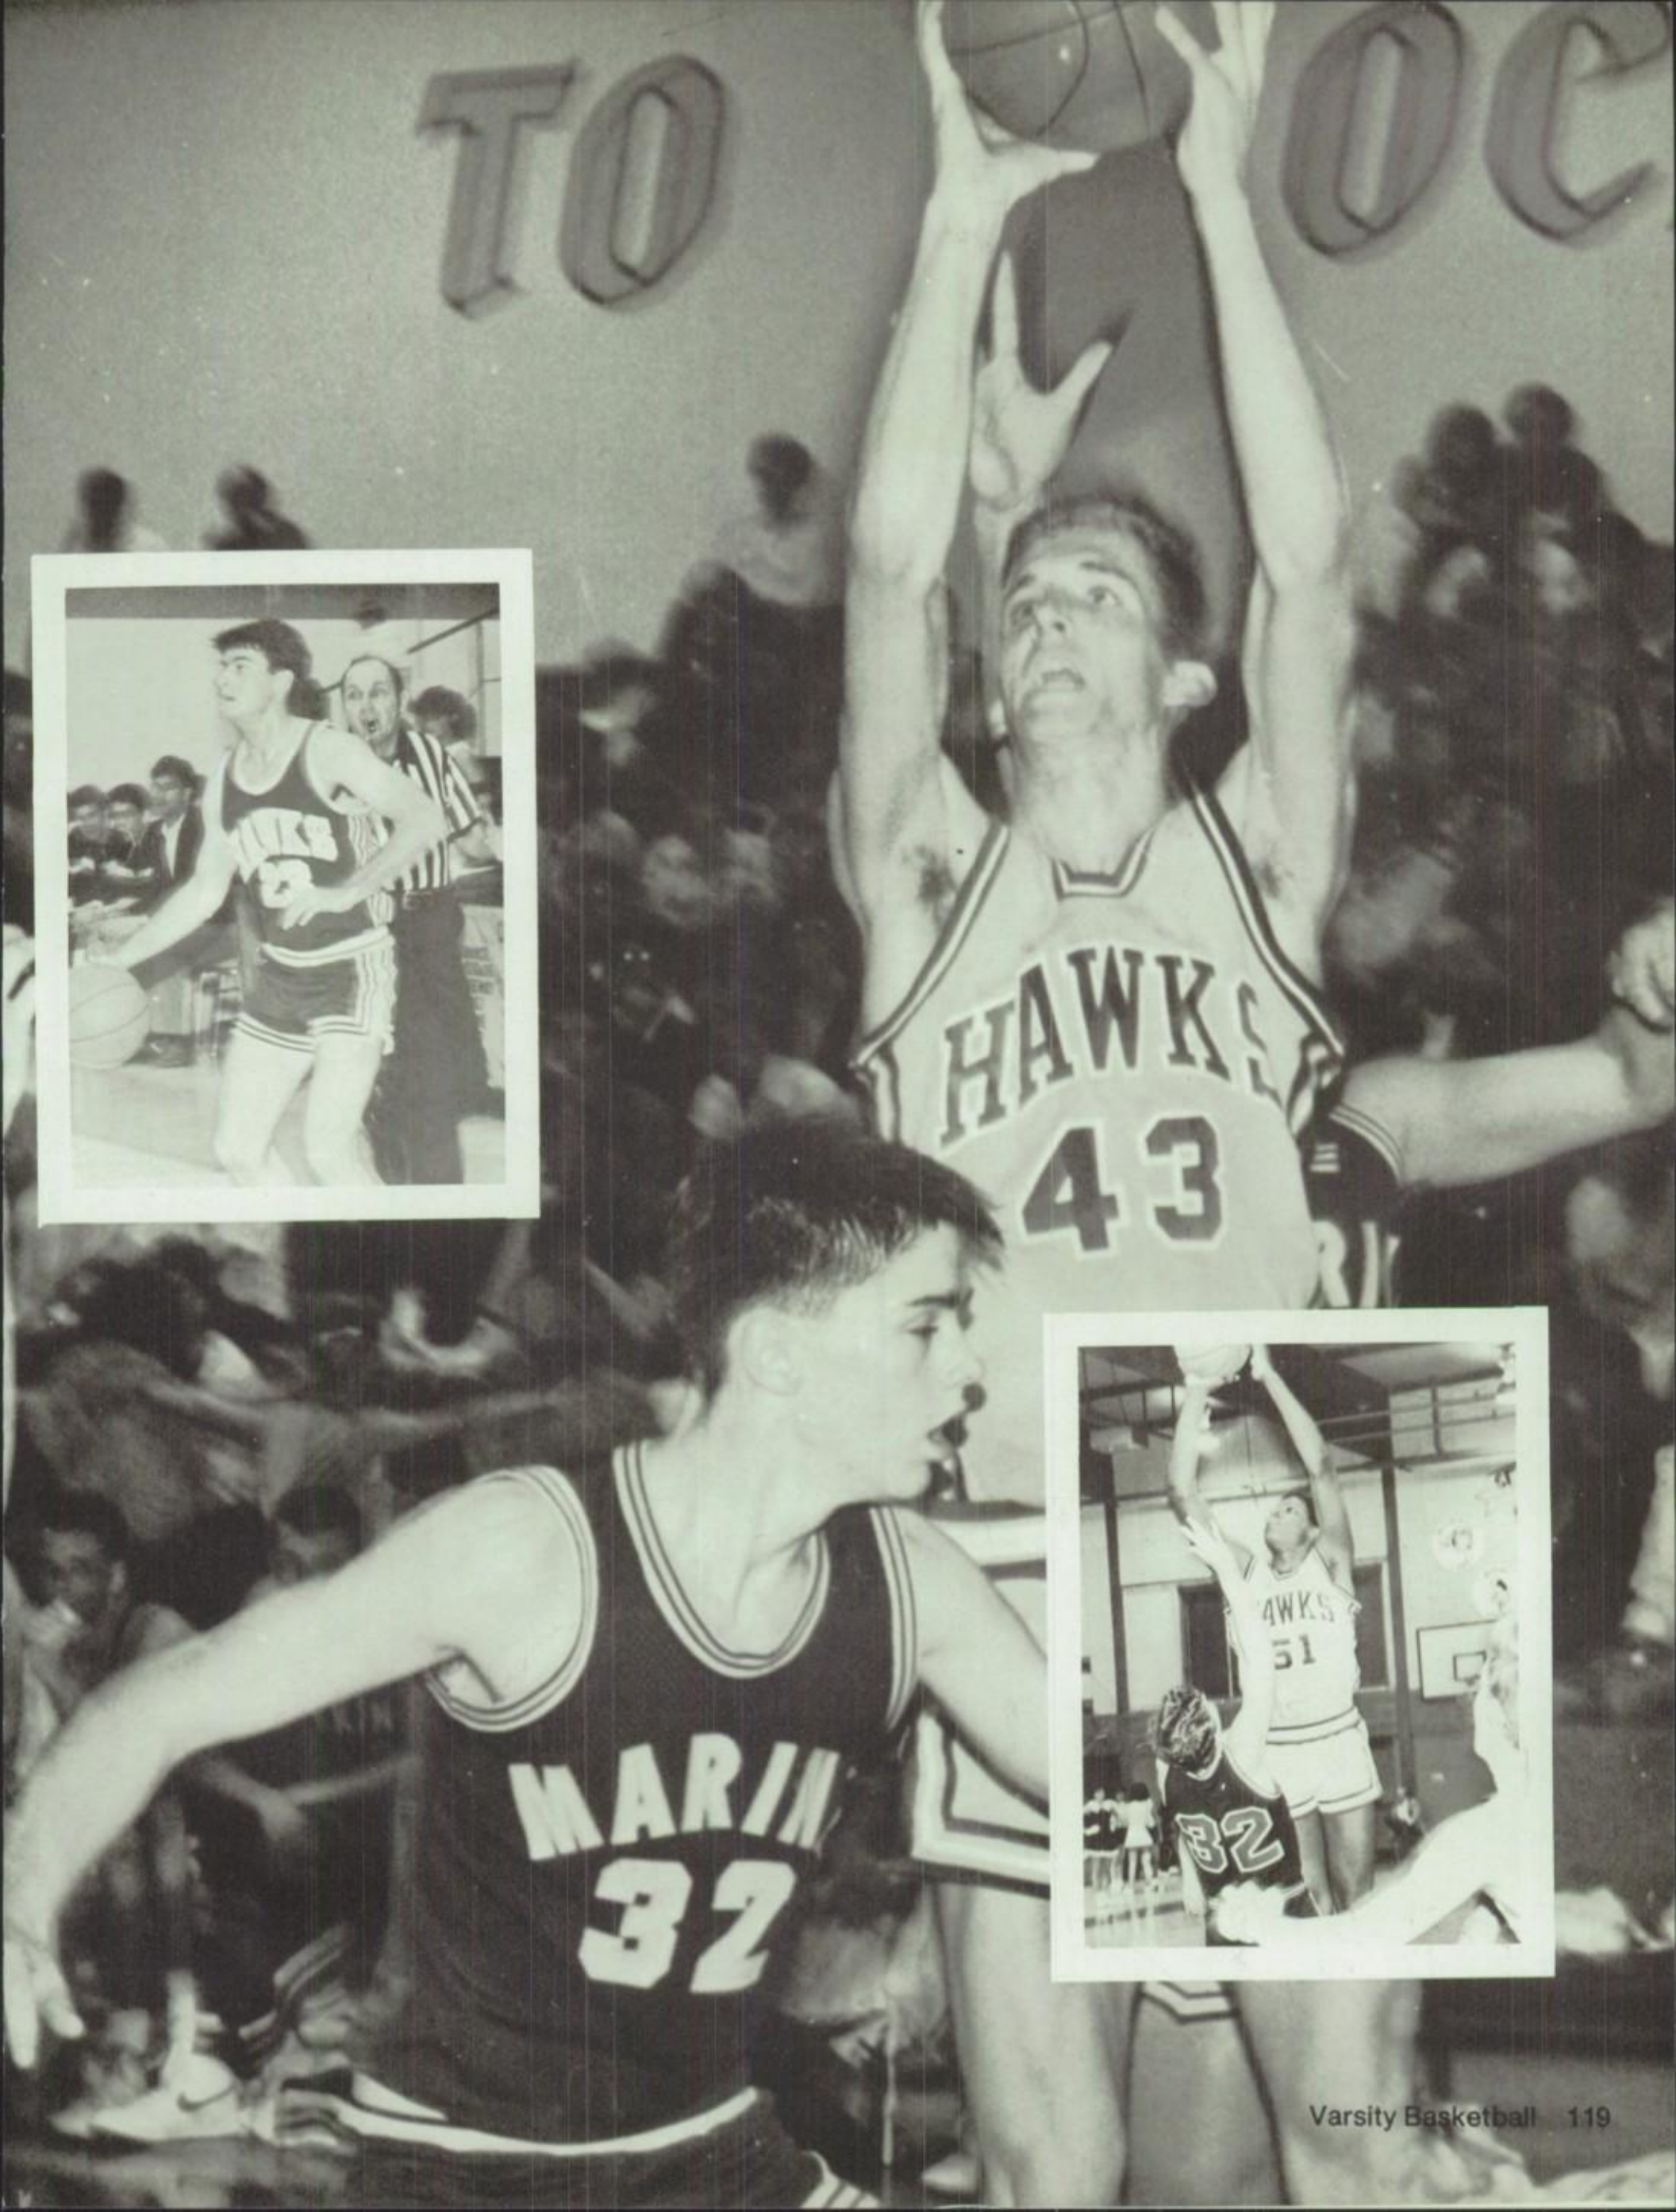

Boys' Varsity Tennis

The boys' varsity tennis team was up against some stiff competition this year. They showed a great deal of pride along with determination throughout the season by improving their skills with each game. The performances by each of the players revealed the competitive attitude of the athletes here at Ocean View High School.

What a great season! The Seahawks are back on top. Our young but very talented squad swept through the Sunset League undefeated 10-0 and finished the C.I.F. Playoffs as the Runner-up in the Big 5 Conference Championship. The starting lineup proved to be virtually unbeatable as Dave Straight, Tony Panzica, Blaine DeBrouwer, Mike Labat and Ricky Butler led the team to a season record of 24-4. Winning 2 Tournaments and finishing second in the prestigious Tournament of Champions the Seahawks showed remarkable depth with Tony Hocker, Desi Hazely, Mike Flynn and Tim Ramirez playing very well. Mike McGlinchey and Mike Halverson were very important to this team and they as well as the others played their role in support of the team. The key to their success was their teamwork and balance. They shared the spotlight and made this team so multifaceted that Ocean View's opponents could not stop them. Playing before over 11,000 fans at the L.B. Sports Arena was tremendous, the Sunset League Title was great; but best of all were the feelings shared by these exceptional young men. We salute these very special Super Seahawks!

JV Basketball

This season was filled with many highs and lows. It started off with a tough win over a very good Mission Viejo team. Then we went on to the Pomona Tournament, where we won the consolation championship. Mike Vogtman was named to the all-tourney team with some of his fine performances. During Christmas vacation we traveled to Serra to play in their tournament in which we earned a 2nd place in the tournament with Steve Treskes being named All-Tourney for his fine hustle on defense. Then, after defeating a tough Long Beach Poly team, we were ready to go into league play. It was a tough road into league, but through it all, a good attitude was maintained by the team, and by the end of the season, they were looking forward to playing on the Varsity team the following year and keeping the Seahawk Basketball Tradition alive!

This year's sophomore basketball team had one goal . . . to win league. On February 13th the goal was realized with a 61-58 win over Huntington Beach. Along with the League title, the sophomores were the champions of the Ocean View tournament and Santa Ana Tournament with Eric Christopherson and Todd Pickard taking home M.V.P. honors in each tournament respectively. Receiving All-Tournament notoriety were Jim Anderson and Todd Pickard in the Ocean View Tourny, and Geoff Grave in the Santa Ana Tournament. Not only was this a team of good players, but also a group of good people. Ocean View has much to look forward to two years down the road.

SUNSET FRESHMAN

At the beginning of the school year, the freshman appeared to be the most inexperienced group since the school opened. But it was the opinion of all the coaches who worked with them that the talent was there! It would take hard work and dedication for that talent to surface. But this was a team with a purpose. The nucleus of the team endured long practices and the end was steady, if not remarkable, in improvement after a 6-8 pre-season going into league. The league competition seemed to be much tougher than most teams we had faced in pre-season, but after a slow start, we finally found our confidence and were able to beat some teams which we had lost to in previous meetings. The season had its ups and downs, but overall it was fun! Thanks guys for the year!

FRESHMAN GOLD

The district freshman basketball team finished the season with six wins. The team entered the season with little actual team and game experience, but developed both individual and team skills which helped the team compete with teams much more experienced. The district team gained the respect and praise from opposing teams, referees and coaches.

The district team was led in scoring by Allen Tyte, who also led the team in rebounding. Valuable team members who each contributed to this year's success were: Peter Overhew, Mike Caldin, Chris Kennedy, Jacob Forbes, and Robbie Radford.

The individual members are looking forward to further improvement gained from their experiences this year and are competing for the Seahawk basketball program next year.

WRESTLING

I was very pleased with this year's performances by all the wrestlers who stuck with the program since the beginning. There were many bright points about our young wrestlers that will carry on into next year. This was the second year with the biggest turnout of wrestlers in a long time. Our varsity wrestlers showed great pride and strength in their efforts this year. Again Ocean View carries on the tradition of sending a wrestler to C.I.F. Over the season, many individuals earned awards and medals in tournament competition. This success shows that hard work and determination is rewarding. Again, as coaches, we would like to sincerely thank the parents for their great support this year. It's been a most enjoyable season.

BOYS' TRACK

Our Seahawk Track and Field team continues to gain momentum as we progress into the season. Outstanding performances in several of our field events and distance events have paved the way in the early part of this season.

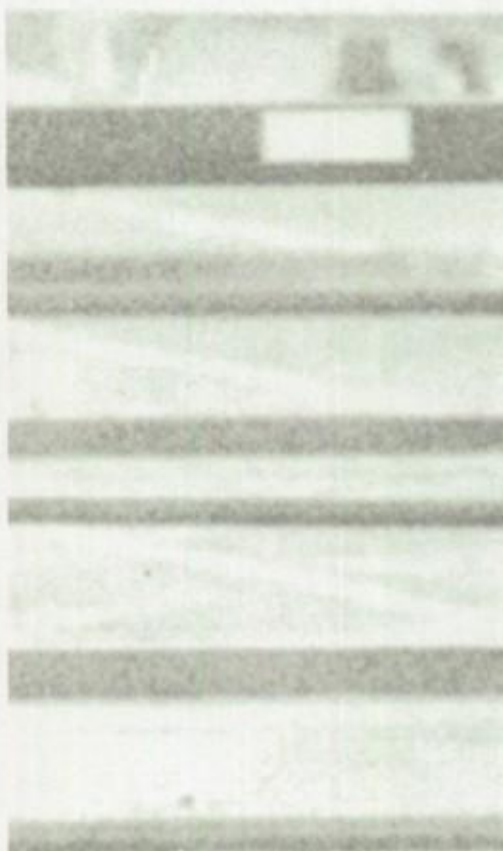

The future looks bright for O.V.H.S. Track and Field teams. A strong showing is expected for the Seahawks in league competition.

GIRLS' TRACK

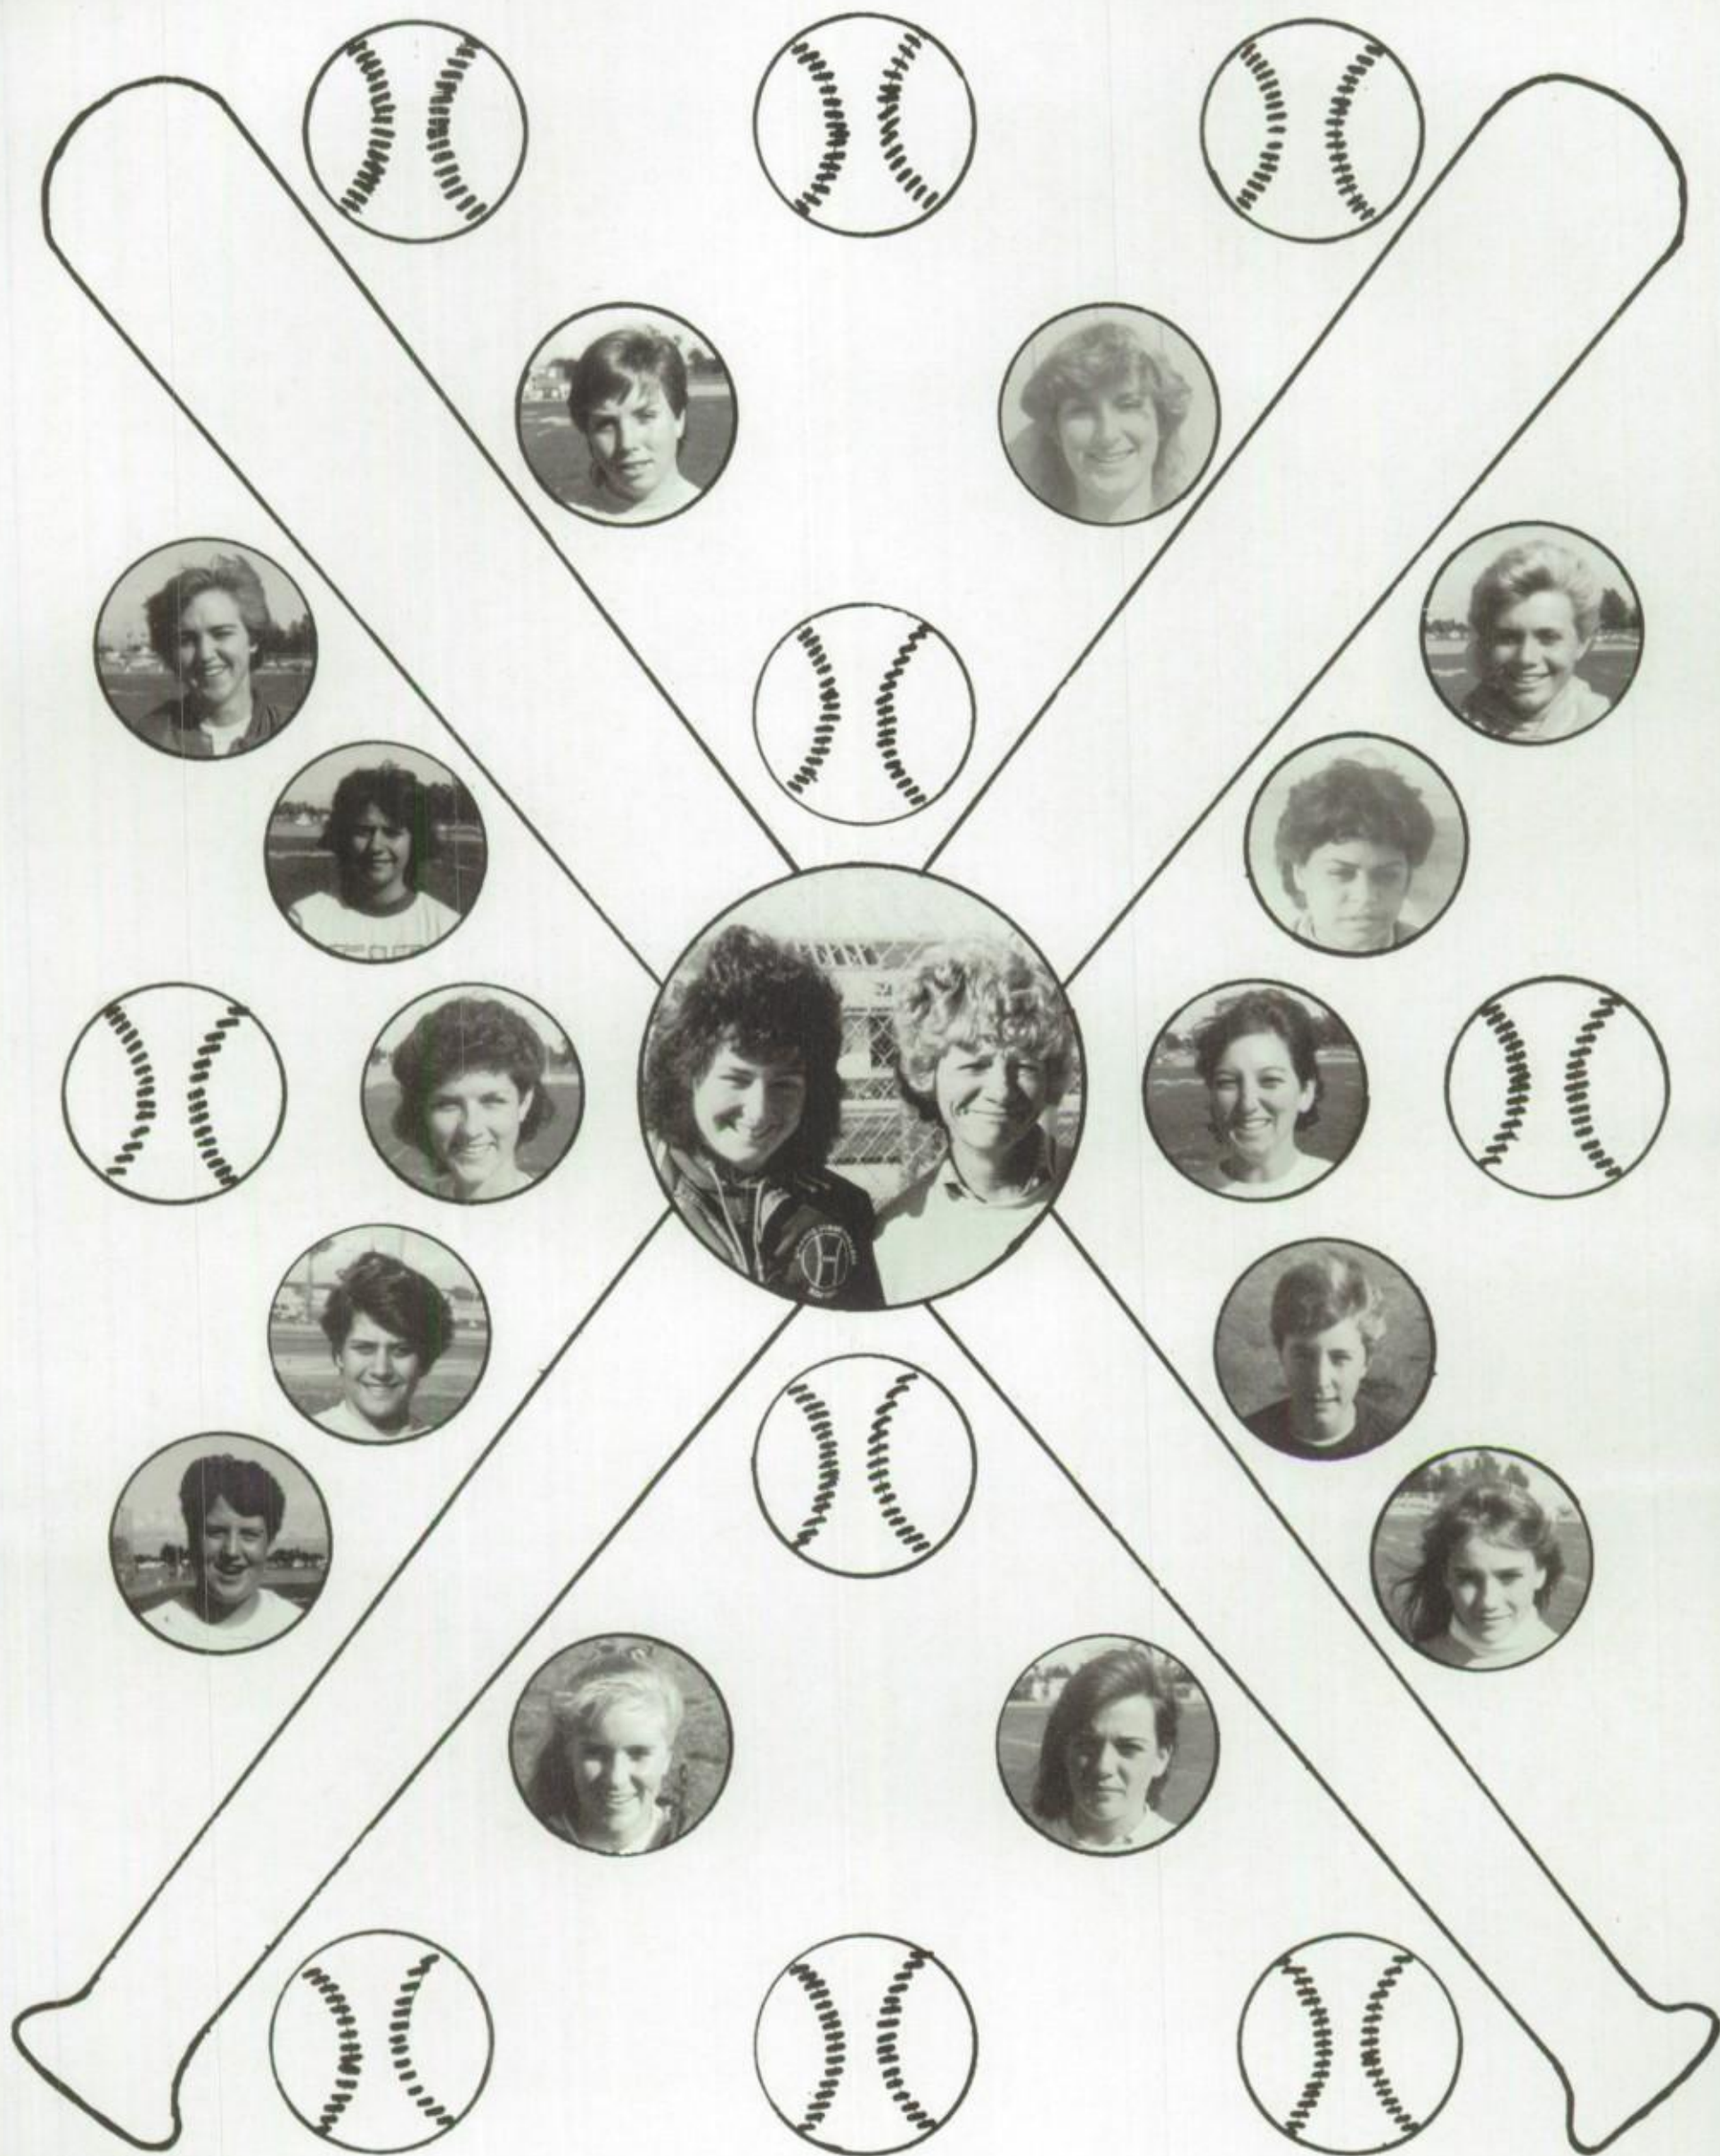

The O.V. girls' track team looked forward to a successful season this year. Returning as head coach was Beth Chilcott, aided by assistants Sue Kemper, Geniel Moon and Jeff Chilcott. Tasting success last year increased the desire of this year's squad to only improve. Led by State meet qualifier Jr. Debbie Orr, the Seahawk ladies will be looking for team support from a solid group of returning athletes. Included are Teri Zanelli, Kathy and Shannon Karpel, Akemi Royer, Cindy Russell, Sandy Miller, Susie Hackworth, and Sharri and Shelli Dickman. With the addition of several outstanding freshman girls, the Seahawk track program is looking to be a league contender this season.

With such an awesome lineup of girls how could this year's team be anything but the best. Good Luck Seahawks.

GOLF

Our 1985 Golf Team is determined to make a strong showing!

Three years ago, Coach Ellerman started with a team that had never entered CIF finals. His next year coaching, the team went to CIF finals. A major victory claimed Ellerman! That same year a new look came to the team: shirts, hats, and even custom-made "Jones Bags" with OV Seahawks embroidered on the side. The golf shirt logo was designed by Ellerman's friend Rene Laughler, a prominent art director of such productive events such as the Grammys and recently the opening & closing of the Olympic Games!

Joining the OV Golf Staff this year is JD Colbertson, a first year teacher. "JD" as the team calls him (on the course) came to us with — years of golf experience and training behind him. "He is an Eagle for the squad," claims Ellerman. He has tremendous ability to direct our players with the game.

"Each team member is an intrgal part of our team, says Colbertson, no one person makes or breaks this group!" Strong returning Varsity players for this year are: (Captain) Ken Schisler, Paul Duarte, Steve Wright, Jason Barr, and Jim Dannels. New to the squad are: Jason Shirley and (Freshman) Vivian Overturf.

Backing up the top 6 Varsity members are a group of determined players: Rich Enroth, Mike Halvorson, Dave Straight, Andy Sauter, Dan Cunningham, Jim Axton, John Gasowski, Shawn Wedworth, Matt Sauter, Doug Enroth, Kevin Esnault, Ramzi Ataya, Mike Ryan, Peter Overheu, Jim Padilla, and Travis Smith.

Mrs. Ellerman also contributed to the team by taking charge, each year, of the art work & uniforms of the team!

The senators had 'Secret Pals' in which they gave presents to the teachers as a teacher appreciation.

Student Senate was led by Chairperson Janie Watts, and Vice-Preson Dawn Petran. The advisor was Mr. Birch. With the help of the senators, the students here are more involved.

FASHION & DESIGN

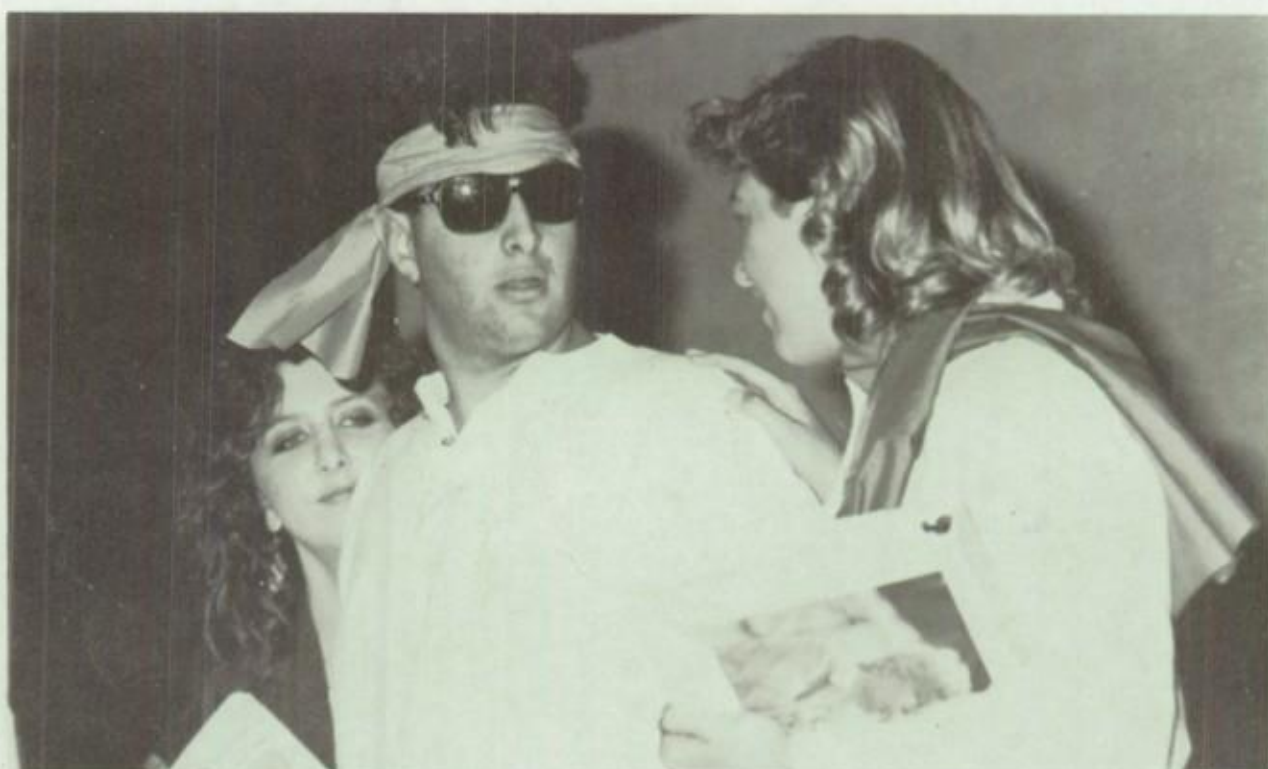

This was the Fashion and Design Club's second year of existence. The members of the club participated in many fun activities this year. We planned a trip to the Garmet District to put on a Spring Style Show. And we had speakers from Brooks College and the Fashion and Design Institute come and talk with us about the exciting careers in the fashion industry. The club had a very successful fund raiser in October selling Thank-You Grams which helped everyone to get interested and participate in the fun activities we planned.

California Teen Project is a positive peer pressure group. Which deals with the problems of drinking and driving while under the influence of alchoho. Their aim is to stop this problem. They have taken various steps in doing so, such as peer counseling, speakers, and movies that show the real affects and dangers of drinking and driving. They also put on a play called THE GAME OF GAMES dealing with four characters in different situations and different personalities. This was the biggest event of Cal-Teen all year.

CHORAL MUSIC

This year Ocean View's Vocal Ensemble created a new name, and a new reputation for themselves. Performing mostly Show Choir music, the group performed for KDOC TV, the Huntington Beach Chamber of Commerce, Knott's Berry Farm and many private parties during the Christmas holiday season. The highlight of the year will be their performance on board the S.S. Azure Seas, during a 5 day cruise this July. This group has come to be known as "The Voice of the Seahawks."

This year's choir had an exciting experience first semester working under the direction of a student teacher, Mr. Bill Wolfe. The group performed in several concerts, as well as for local Junior High Schools.

Chorus II is a small girls' choir which is by audition only. The girls performed in every concert, adding choreography and costumes to their performances.

Ski Club

We began the 1984-85 ski season with a December trip to Utah. Everyday we were challenged by a new mountain including: Park City, Park West, Solitude, and Alta. One of us took an unscheduled tour of Brighton followed by a long bus ride back to Park City. Nice going Joel!

In January, "Flash" and a few brave souls left for a day of local skiing and dinner at Carl's Jr. The cookies were furnished by Nadine, the fractured rib and complimentary lessons by Al.

In the Spring, we are anxiously awaiting the sixteen hour bus ride to Purgatory Mountain in Colorado. In between skiing we will be basking in the sun, sitting in the jacuzzi, playing tennis, and lifting weights at the luxurious Tamarack Lodge. The chaperones have their work cut out for them, therefore Jethro Tull tapes will not be allowed.

First semester has been a promising start for the members of CSF. Members have traveled to the UCLA, USC, and Occidental campuses as a group to experience the university atmosphere. Under the planning of Vice President Pierre Wang, the club made a substantial profit on its first fund raiser, the candy sale. CSF also made a contribution to the fund taken up for Laura Bradbury at school, the niece of English teacher Mr. Wood. As a school service project, CSF seniors will work during lunch in the PTSA Student Store. March will find CSF members at Disneyland, and in May on a cultural field trip in conjunction with Advanced Placement English classes.

Recently there has been an important change in the CSF point system concerning eligibility of applicants. This change is to both encourage membership and reward students who challenge themselves beyond the required limits. As always, an "A" will be worth 3 CSF points, and a total of 10 CSF points will qualify an applicant for membership. However, a "B" earned in a class labeled as Honors or Advanced Placement on an official transcript will be worth 2 CSF points, while a "B" in any other class will still be worth 1 CSF point. CSF applications will be available in the Career Center starting February 7. Questions concerning membership may be directed to Mrs. Linn or a Board Member.

Contrary to popular belief, the CSF chapter at Ocean View High School is not made up of a bunch of kids running around in gold sweatshirts doing homework between classes and at lunch. The group represents service and scholarship — a winning combination! Students qualifying for CFS membership 4 semesters during the 10, 11, and 12 grades earn the gold CSF seal on their diplomas.

Under the guidance of first year advisor Nancy Linn, the club is quickly becoming one of the most visible and respected organizations on campus, boasting a membership of 120 students. One of the main objectives of the CSF Board, made up of President Andy Auter, Vice President Pierre Wang, Secretary Mike Nam, Treasurer Lihn Vu, and Member of the Board Tim Ramirez, is to get all of these students, sophomore, juniors, and seniors, involved in its functions. This year both a sophomore, Leslie Moskowitz, and a junior, Kathy Walsh, attend Board meetings as class representatives. Under the supervision of Mrs. Linn, the junior class has elected its own committee, which includes Shelly Straight, Emrey Moskowitz, Ken Chen, Wendy Rockwell, and Ricky Peng, to select deserving CSF seniors for scholarships and formulate fund raisers for this scholarship fund. The committee has chosen President Andy Sauter and Treasurer Lihn Vu to represent the chapter in state competition for the Seymour Scholarship, based mainly on their CSF involvement, as well as academic, extra-curricular, and community performance. Future events include plans for a car wash and attending tapings of game shows.

Bonjour!

Welcome to Le Circle Francais. The purpose of the French Club is to give students the opportunity to familiarize themselves with the French culture, customs and cuisines. This year we raised money from various fund raisers and went to Le Biarritz for Dinner Which was a success. The food was tres magnifique. This has been a great year for the French Club. We went to two French Movies, a comedy and a love story. We learned a lot about fund raisers, but mostly about food. We learned about the French language. Mrs. Harnish, the advisor, has really enjoyed this year, and is looking forward to next year. So until next year. Au Revoir!!

ENTRE AMIGOS

Entre Amigos (Between Friends) club, is composed of students who come from Latin American countries. The main purpose of the club is to assist the process of culture adjustment and self-image reinforcement. Entre Amigos has had many activities. In the past, they have gone to the Queen Mary tour, L.A. Zoo, San Juan Capistrano, Lion Country Safari, Marineland, Magic Mountain, and many picnics at the park. This year, we had our usual Christmas party and are getting ready for our annual trip to the mountains. The big event this year is Cinco de Mayo. For the last 5 years, the club has danced for Oak View Elementary, Westminster High School, O.V.H.S., Golden West College, and at the Huntington Beach Convalescent Hospital.

This year the '84-'85 Spanish club had a very successful year. The main goal of the club was to involve the students in Spanish culture and educate them in different aspects of the Spanish lifestyle. They held active meetings all throughout the year, planning fiestas, fund raisers and other activities.

The M.U.N. Club is again one of the best groups of its kind in the nation. In spirited competition early in the year, O.V. placed second at U.C. San Diego. The next conference was at Mission Viejo, O.V. won all delegation awards presented. This marked a new era for the M.U.N. club at OVHS, they are considered the best in Orange Co. With a large group of excited freshmen, the club looks to be in good shape, for several years to come. The 5th annual M.U.N. Conference hosted by O.V. was moved this year to the Disneyland Hotel. Kurt Scheuerman was the Secretary-General with a very able assistance of the Under Secretary-General, Eileen Sendry. These two plus the other members of the club who ran the conference are to be congratulated for hosting twenty other high schools. The advisors of M.U.N. are Mr. Haivill and Mr. Rowan.

GERMAN CLUB

The German Club has started off fresh since five years ago, and is struggling to establish itself as one of the major clubs at Ocean View. Its main purpose is to participate in German culture. In light of that, the club will see German movies, eat German food, and listen to German music. The club and its members will combine all of these activities together by reestablishing the famous end-of-the-year party.

CROP (Coastline Regional Occupational Program) began as a result of a state law that authorized school districts of establish vocational education opportunities for high school students and adults. It is funded through the State Department of Education and operates through the local public schools. CROP is in its fourteenth year of operation and serves the people of the Huntington Beach, Irvine, Newport-Mesa, Saddleback Valley, and Tustin Unified School I/ Districts.

Programs are based on current job market demands to assure a high potential for student placement. Classes meet in both business and industry sites as well as local high schools. After basic classroom instruction, on-the-job training is provided in most cases. This gives the student a "hands on" experience in that field of training and the student can up-date or up-grade existing skills, to learn a new field, and earn elective credits toward a high school diploma.

CROP's goal is to provide a positive job training experience for students that combines job skills, training and appropriate business behavior. Ocean View has five on-campus classes to offer students.

FBLA is a wide growing organization which stands for Future Business Leaders of America. This club provides information and help to those students who are interested in the business worlds. The members also attend different types of state and national level competitions. These competitions range from typing, Accounting, Spelling, and English, etc . . . This club is organized by Audrey Hendry.

The OVHS Bike Club exists to encourage bicycling as recreation and transportation. The club takes bicycle tours to various places in Orange County and takes an annual ride to San Diego and we camp there overnight, too. The club also works on a community project each year. This year, club members collected money through a Bike-a-Thon to raise money for the family of Laura Bradbury.

KEY CLUB

Key Club is a service oriented organization which works in conjunction with the Kiwanis International, and the local Kiwanis Club of Huntington Beach. This has been one of the most productive years of Key Club at Ocean View. Through various activities, the Club performs services for the school, the community, and the country.

Project Cherish, designed to assist the senior citizens with household chores, has been one of the most successful programs. In addition, the Club participated in a CAR WASH for Laura Bradbury, in which over \$250 were raised and donated. The Club was also involved in the BLOOD DRIVE, KIWANIS BOWL (scholarship competition), and THE SPECIAL OLYMPICS. Through the leadership of the officers, JOON SONG (president), DAVID NGUYEN (vice president), MIKE NAM (treasurer), and PIERRE WANG (secretary), the club has doubled its membership, motivated the young men of Ocean View into service activities, and set a precedence for the Key Clubbers to come.

The main focus of the Agape Club is to share God's love with all people. In light of this theme, the Agape Club plans to participate in many activities to bring help to those who need it. These activities include visiting hospitals and even Christmas caroling. The club members are planning a trip to a Mexican orphanage to bring love, help and hopefully brighten the lives of the children there.

The Agape Club has done many things in the way of becoming better friends (such as attending Christian concerts together, and seminars). The time that the club spends together is very important (and all are welcome) because they believe that unity is the key to friendship.

MECHA CLUB

This was the debut of the O.V.H.S. Mecha Club. This club consisted of many members. The reason for this club was to arouse the interest of student's with Hispanic backgrounds to learn more about their culture. This year Pres. Fernando put lots of time and effort into making this club a success.

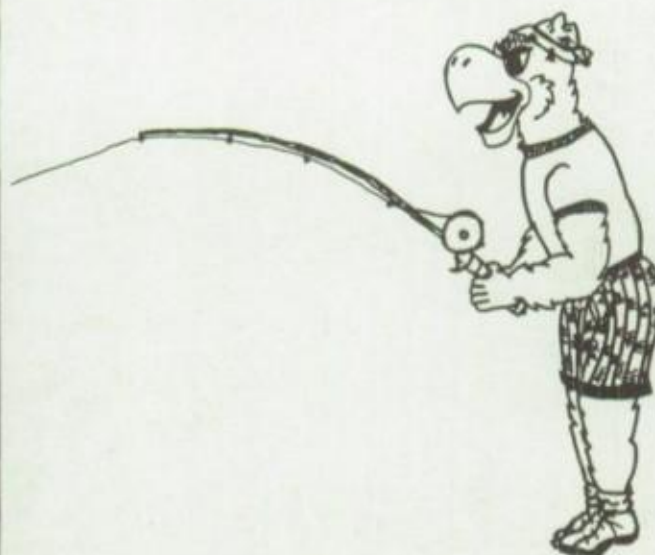

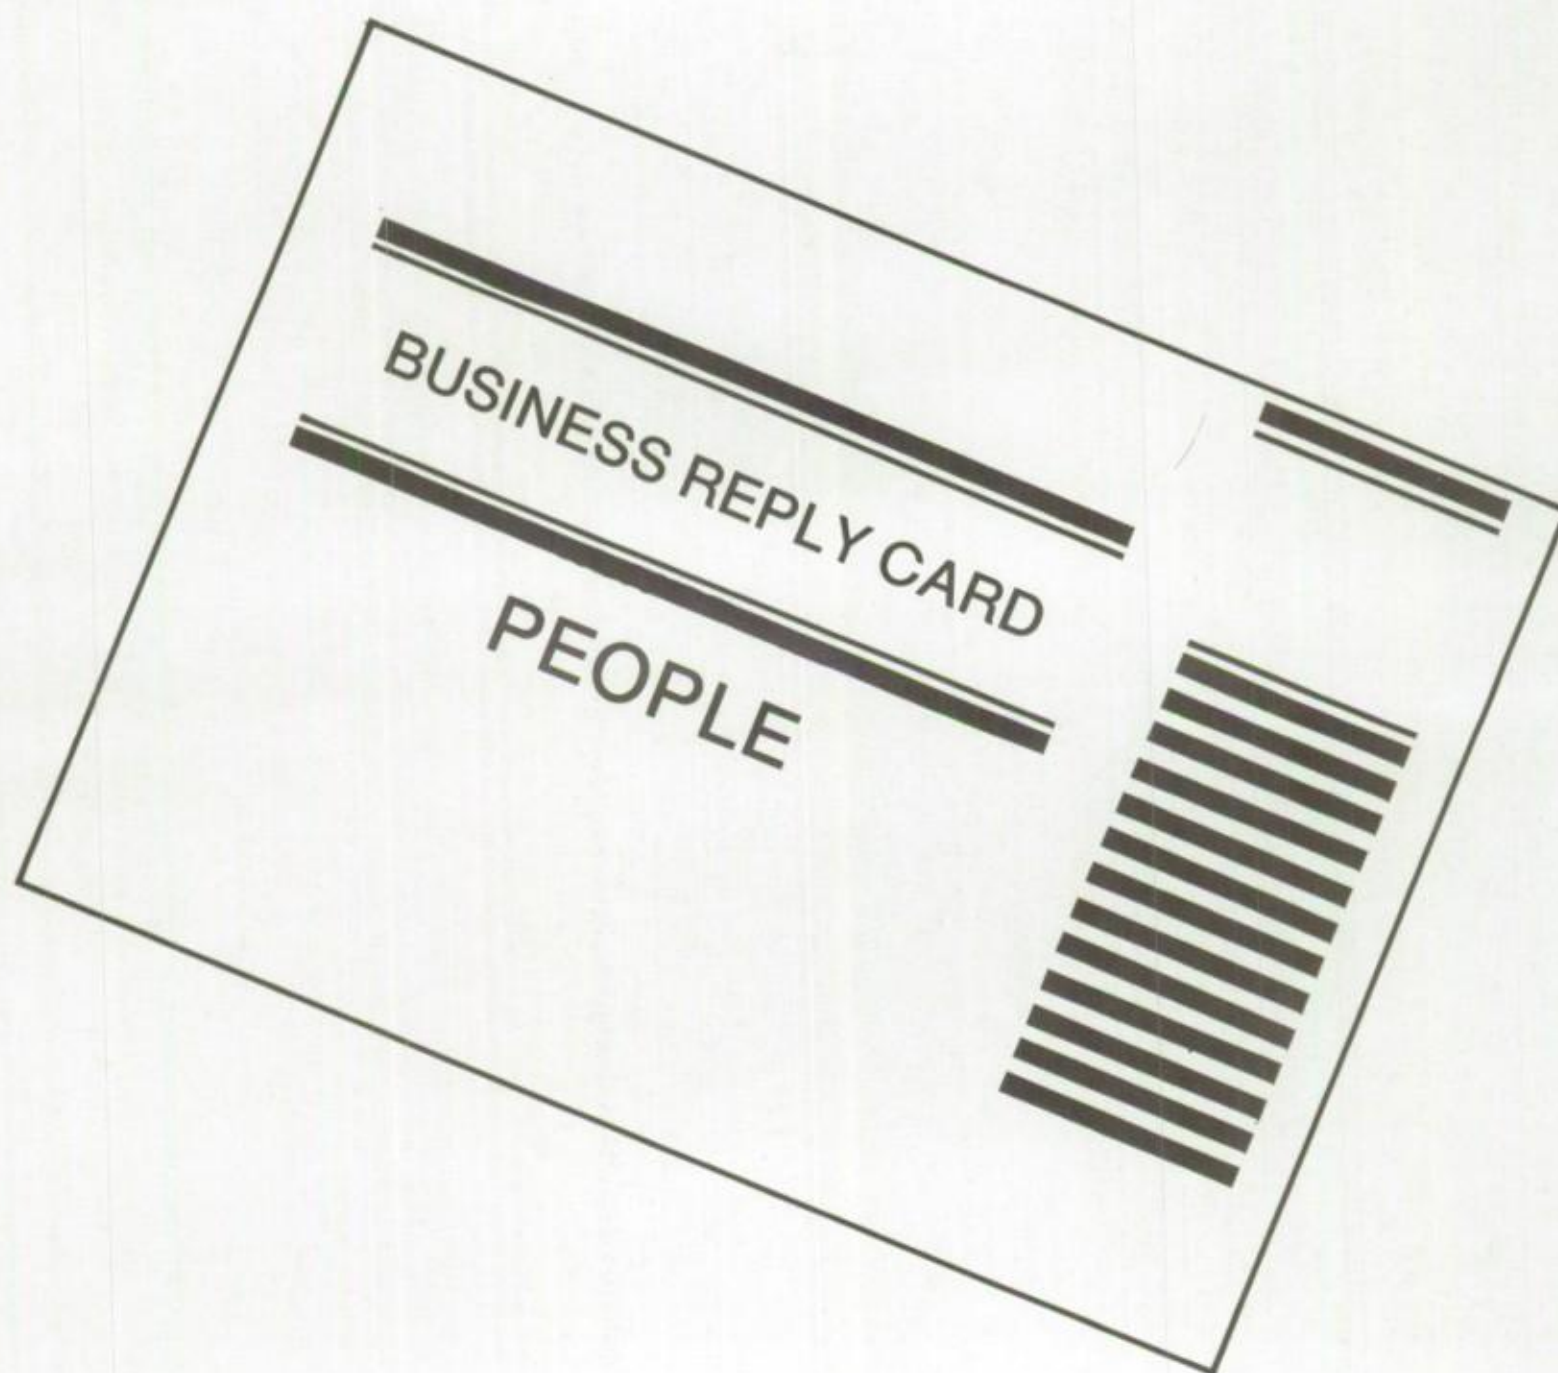

The 1984-85 fishing club has been to many places this year. Some of these places included, Santa Ana River, Lake Skinner, Coronado Island, Oceanside, and Catalina. According to the fishing club advisor Mr. Moffitt, this year the fishing has been "hot and cold." It has not been so "hot" because the group hit some low pressure zones. They have decided not to plan a trip until they reach a high pressure zone!

Thoreau said "Man is the artificer of his own happiness." I hope your experiences at Ocean View High School have provided you with some of the tools needed to build the type of life that will bring you happiness and success.

I encourage those of you who are returning next year to take full advantage of the many cocurricular activities we have available. Many valuable lessons are learned through participation in sports, clubs, pepsters, drill team, teh band and music programs, drama, Model United Nations, student government, yearbook, newspaper and student committees.

What do
you say Bob?
I'm looking forward
to our third year of math
together. We are a pretty good
team when it comes to tests, if
you know what I mean. Thanks for
all of the help. Have a cool summer
and don't be a stranger. Maybe I can
give you a tennis lesson or two? Have
a great summer and stay cool.

Lost Lives

by John Finch

They were all very young and their lives
were taken away
They were also very nice in their own
special ways
People think of such thoughts and tears form
in their eyes
There is nothing anyone can do except cry

People often say, life goes on
But for some it has already gone
The thought of this can make one scared
It can also make life seem quite unfair

One can feel the anguish shown on their
parents faces
Hopefully, these kids who are gone are in
safe places
The lost lives of kind friends
Why did their lives have to end

They were all too young for their lives to
pass away
But I know the memories of them are always
going to stay

In Memory of
